

PETITION FOR HEARING

[Note: In the 2025 legislative session, the CT General Assembly passed, and the governor signed, P.A. 25-84, and the relevant section became effective on passage. Pursuant to § 4(a) of P.A. 25-84, an applicable hearing on a licensing application will be conducted as a public informational hearing and will not be subject to the requirements of the Uniform Administrative Procedure Act, unless the petition requesting the hearing satisfies the requirements contained in § 4(b) of the Act. If a contested case is sought under § 4(b) of the Act, additional supporting material must be filed with this form to the Office of Adjudications to comply with the Act's requirements, including, if applicable, a verified pleading under General Statute 22a-19.]

We, the undersigned, request that the Commissioner of the Department of Energy and Environmental Protection (DEEP) hold a public hearing on _____. [Application Number(s)].

We also designate and authorize _____, whose signature and address appear below, to engage in discussions regarding this application, and if resolution is reached, to withdraw this petition on our behalf [designation option, see General Statutes 22a-6bb].
