<sup>1</sup> Rebate+ Used is available to Rebate+ qualifying individuals who purchase or lease a used eligible vehicle from a Connecticut franchised used automobile dealer or original equipment manufacturer (i.e. Tesla). Rebate+ qualifying individuals must meet **one** (1) of these criteria:

- Reside in an Environmental Justice (EJ) Community or Distressed Municipality, or
- Participate in a qualifying state or federal income qualifying program, or
- Have income less than 300% of the Federal Poverty Level (FPL).

For additional information visit [www.DriveCHEAPR.org](http://www.DriveCHEAPR.org)

<sup>2</sup> The CHEAPR program is able to process rebate applications from individual consumers who purchase or lease an eligible vehicle directly from an original equipment manufacturer (OEM) that does not have licensed franchised used automobile dealers in Connecticut (e.g., Tesla). However, when such vehicles are authorized for sale or lease within Connecticut, applicants will be required to purchase or lease such vehicles from retail locations located within the state in order to be eligible for the CHEAPR program.
