**Disclaimers & Notes**

**You must apply for your eBike voucher through the eBike Incentive Program platform prior to making your eBike purchase.**

Data on this list is compiled from manufacturers' data. All prices, technical data points and features and figures may vary based on model year, class, and other related information. Please visit the specific manufacturer websites or ask your Participating eBike Retailer for the latest information about each eBike.

**Electric Bicycle (eBike)** : A bicycle equipped with operable foot pedals and an electric motor of less than 750 watts of power, which is of the following classes:

**Class 1:** an electric bicycle equipped with a motor that engages only when the rider operates the electric bicycle's foot pedals, and that ceases to engage when the electric bicycle reaches the speed of twenty (20) miles per hour.

**Class 2:** an electric bicycle equipped with a motor that may be used exclusively to propel the electric bicycle, and that ceases to engage when the electric bicycle reaches the speed of twenty (20) miles per hour.

**Class 3:** an electric bicycle equipped with a motor that engages only when the rider operates the electric bicycle's foot pedals, and that ceases to engage when the electric bicycle reaches the speed of twenty-eight (28) miles per hour.

<sup>1</sup>**Eligible eBike** must meet the following criteria:

- MSRP less than \$3,000 (Manufacturer Suggested Retail Price)
- 1 year warranty for frame and components
- Active UL 2849 or EN 15194 for battery and electrical components.

**Standard Voucher:** \$500

Any Connecticut resident, 18 years or older, can apply for and redeem a Standard Voucher at a participating eBike retailer. For additional information visit [www.DriveCHEAPR.org/ebikes](http://www.DriveCHEAPR.org/ebikes).

**Voucher+:** Standard Voucher + \$750 = **\$1,250 Total**

**Voucher+** is available to Connecticut residents that meet any of the following criteria: reside in an Environmental Justice (EJ) community or Distressed Municipality, participate in a state or federal income qualifying program, or have an income less than 300% of the Federal Poverty Level (FPL). For additional information visit [www.DriveCHEAPR.org/ebikes](http://www.DriveCHEAPR.org/ebikes).

A lottery system will prioritize vouchers in tiers: first for income-qualified applicants, followed, second, by residents of an EJ community. Vouchers will be awarded by lottery within each successive tier until all available vouchers are issued. Vouchers will be available for 240 days from the date of issuance to provide consumers adequate time to shop for the best eBike price and for bike shops to order an eBike if necessary. Residents who received an eBike voucher last year are not eligible to participate in this round.
