RE: Final Approval of Middletown's Noise Ordinance

Ms. Howe:

Thank you for your email of February 6, 2018 requesting the Department of Energy and Environmental Protection (DEEP) take action on the Town of Bloomfield's (Town) proposed adoption of its noise control ordinance.

Pursuant to Connecticut General Statutes §22a-73(c), I approve the noise control ordinance which was adopted by the Bloomfield Town Council on August 4, 2017. This final approval of the Town's noise control ordinance, which DEEP preapproved on June 30, 2017, is based on DEEP staff review of the ordinance that determined the proposal conforms to the state noise control standards.

If you have additional questions, please contact Paul Kritzler at (860) 424-3889 or Paul.Kritzler@ct.gov.

Sincerely,

Anne Gobin, Chief
Bureau of Air Management
