Town Council Chair  
Town of East Hartford

SUBJECT: Local Noise Control Ordinance  
East Hartford, Connecticut

Dear Mr. Kehoe:

Thank you for your letter of October 23, 2001 requesting approval of East Hartford's Noise Control Ordinance.

Based on review of the ordinance (copy attached) it has been determined that the ordinance conforms with state noise control standards. The Commissioner of Environmental Protection has delegated the authority (with respect to Connecticut General Statutes Chapters 446a and 446c) to approve local noise ordinances to the Chief of the Bureau of Air Management. Therefore, pursuant to Connecticut General Statutes Section 22a-73(c), I approve East Hartford's Noise Control Ordinance as adopted by the Town of East Hartford on October 24, 2001.

However, the noise ordinance still has several typos (marked on the attached copy) that should be revised, such as "dba" should be "dBA". Also, please submit a copy of the local noise ordinance to our office once section numbers have been added to the ordinance. The ordinance should be submitted to Mr. Joseph E. Foutz, P.E. at 79 Elm Street in Hartford 06106.

If you have any questions regarding this matter, please contact Mr. Foutz at 860-424-3027.

Sincerely,

A handwritten signature in black ink, appearing to read "Carmine DiBattista".

Carmine DiBattista, Chief  
Bureau of Air Management
