1st Selectman, Town of Union

Subject: Noise Standard Amendment

Dear Selectman Sheehan:

I have received a copy of Union's zoning regulation noise standard amendment from Dorothy Herr of the Union Planning and Zoning Commission and find it in conformity with our state noise standards. Therefore, pursuant to Section 22a-73(c) of the Connecticut General Statutes I approve Union's noise standard amendment (section 2.06.03 of the Union Zoning Regulations - copy attached).

As you may be aware we are available to provide Union with the loan of sound measuring equipment on a limited basis as well as instruction in its use. Please contact Mr. Joseph Pulaski of our Noise Control Section at 566-7459 if you need any further assistance in this matter.

Sincerely,

Leslie Carothers  
Commissioner
