SUBJECT: Local Noise Control Ordinance - Wallingford, Connecticut

Dear Mr. Mantzaris:

Thank you for your letter of September 24, 2002 regarding the Noise Control Ordinance for the Town of Wallingford.

Based on review of the ordinance (copy attached) my staff has determined that the ordinance conforms to state noise control standards. The Commissioner of Environmental Protection has delegated the authority (with respect to Connecticut General Statutes Chapters 446a and 446c) to approve local noise ordinances to the Chief of the Bureau of Air Management. Therefore, pursuant to Connecticut General Statutes Section 22a-73(c), I approve Wallingford's Noise Control Ordinance as approved by the Mayor of Wallingford on September 16, 2002.

If you have any questions regarding this matter, please contact Mr. Joseph Foutz, P.E. at 860-424-3027.

Sincerely,

Carmine DiBattista, Chief
Bureau of Air Management
