Clean Cities

Our Mission

Clean Cities coalitions foster the economic, environmental, and energy security of the United States by working locally to advance affordable, domestic transportation fuels, energy efficient mobility systems, and other fuel-saving technologies and practices.

Capitol Clean Cities of CT Updates

Pride Travel Center

National TV Series “Motor Week” came to Hartford, CT on September 13, 2021 and filmed the Pride Travel Center . Television Release Date set for late October, 2021.

Toyota North America Class 8 Truck and Toyota Mirai National Roadshow

Event has been postponed due to COVID in many states across the U.S. Event to be rescheduled in April, 2022.

EV Traveling Showcase

We wrapped up the 2021 EV Traveling Showcase in Windsor, CT at the EV and Classic Car Festival. We partnered with Windsor Climate Action, Plug In America, Individual EV owners, and Mitchell Auto Group as part of the National Drive Electric Week.

VW Settlement Activity

Capitol Clean Cities Along with Southwestern and New Haven Clean Cities worked collaboratively to support and work with Board of Educations and School Bus Providers across the state to participate in applying for VW Settlement Round 3 Funding to electrify school bus fleets.

We also worked with our stakeholders to apply for natural gas and propane medium and heavy duty vehicles.
