

REGULATORY PROPOSALS RELATED TO THE OZONE RECLASSIFICATION (AKA THE BUMP-UP REGULATIONS): UPDATE

■ What?

- The definition of “severe non-attainment area for ozone” in RCSA section 22a-174-1
- Amendments to RCSA sections 22a-174-22e and -22f

■ Status?

- On agenda for the October 24, 2023 meeting of the Legislative Regulation Review Committee (LRRC).
- LRRC could approve (with technical corrections or deletions) or reject without prejudice.

■ Meaning?

- **Possible effective date for the state non-attainment area change in early November 2023.**
- **Note that the reclassification of the Southwest CT non-attainment area to severe is effective in Federal requirements as of November 7, 2022.**
