April 2024**

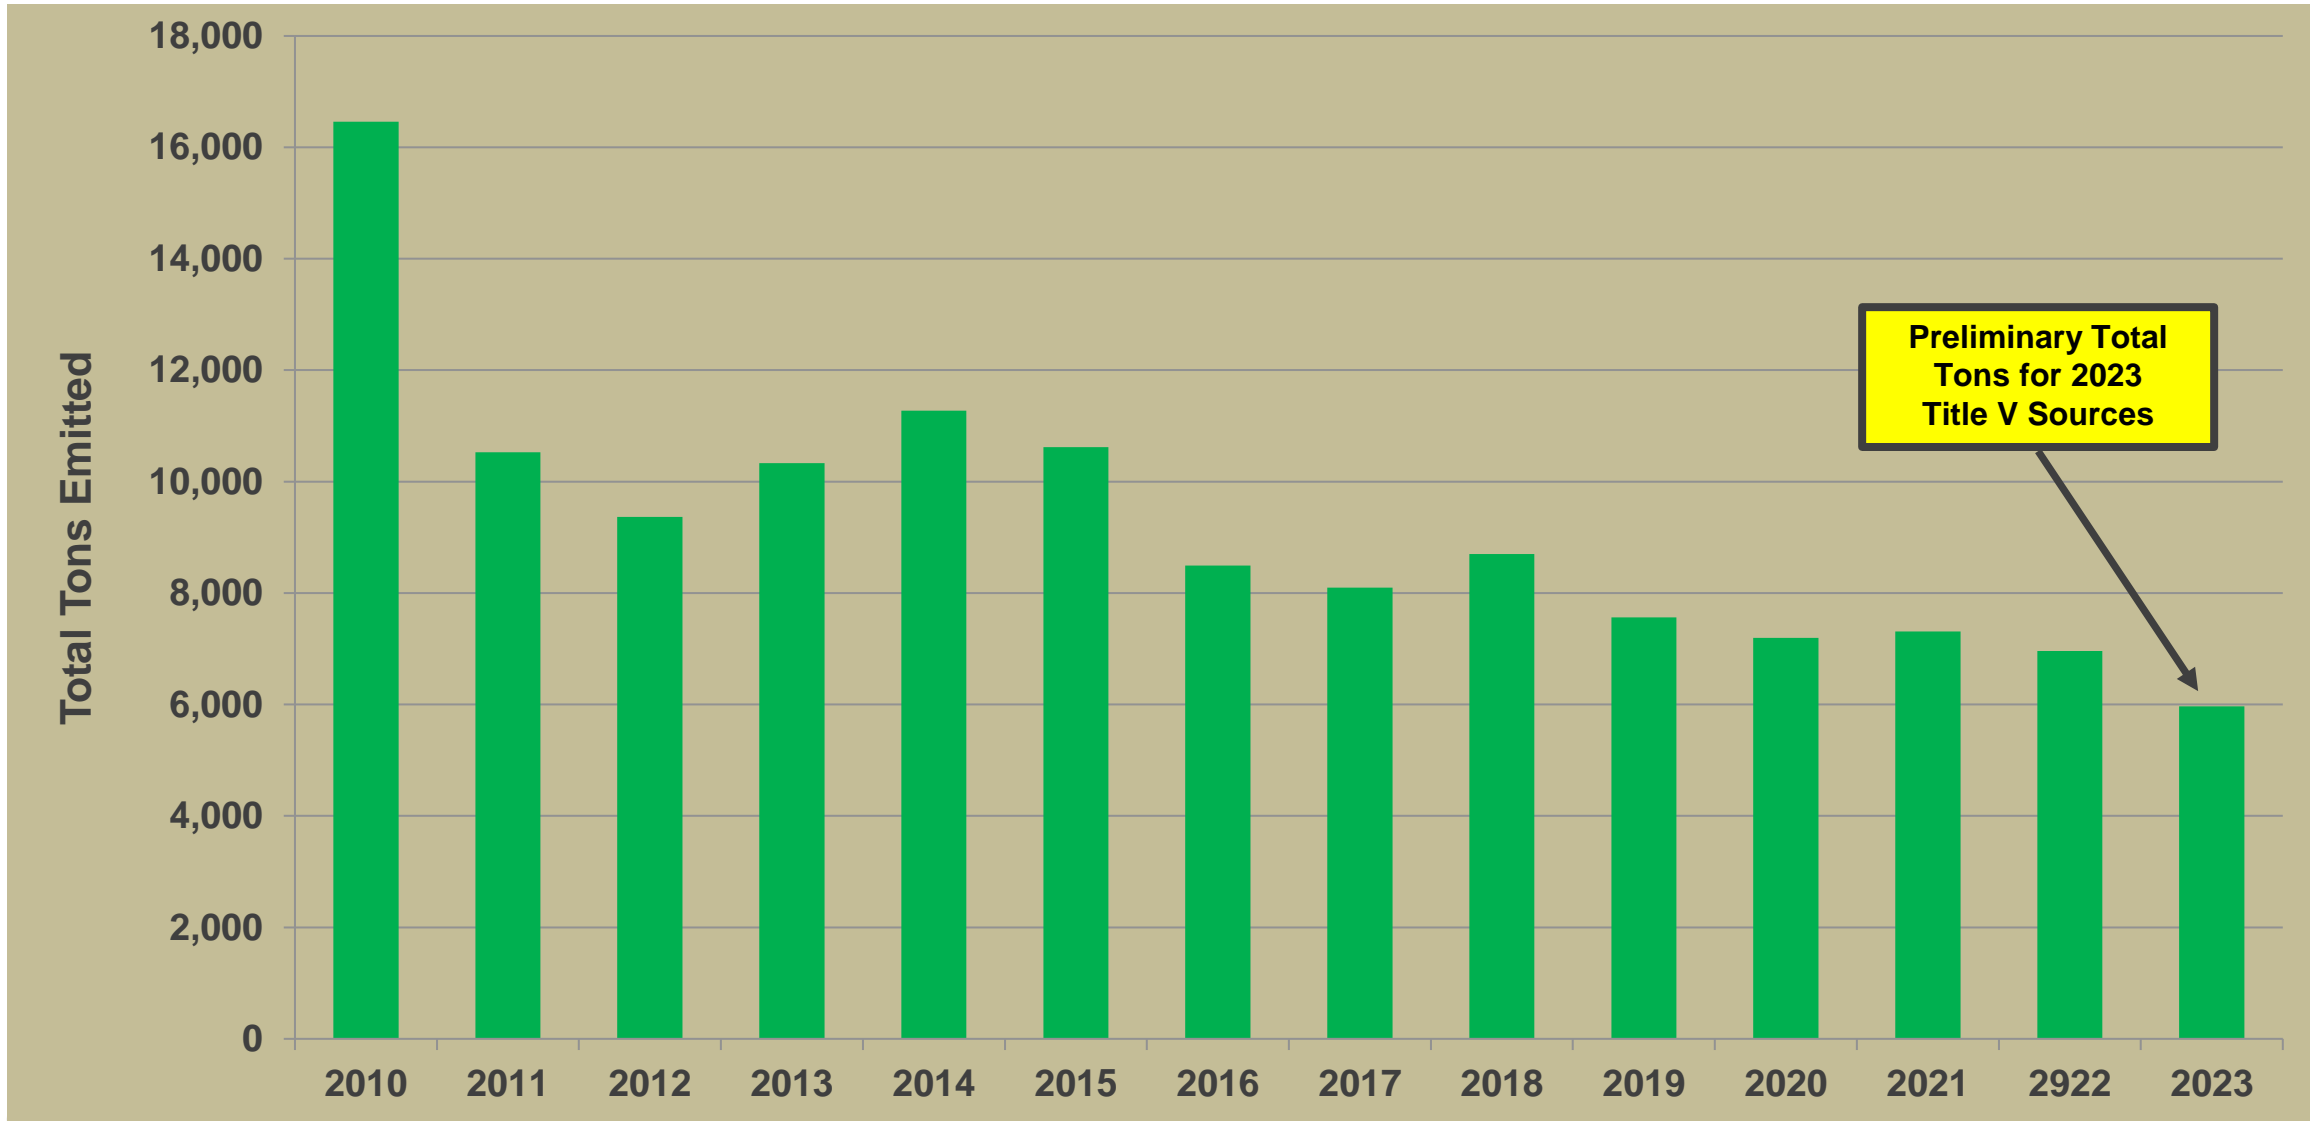

# TITLE V EMISSIONS REPORTING AND FEES

- EPA's CAAA of 1990 established federal rules requiring states to collect annual fees based on actual criteria pollutant emissions every calendar year.
- The total revenue from these fees must sufficiently cover the entire cost of administering the state's Title V program.
- The process for assessing Title V fees is specified in §22a-174-26 of the Regulations of Connecticut State Agencies (RCSA).

# FACTS AND FIGURES FOR 2023 TITLE V FEES

- We plan to complete our QA/QC process for 2023 data review soon.
- Subsequently the Inventory Stabilization Factor (ISF) will be determined.
  - If unadjusted by the DEEP Commissioner the ISF will equal  $133,665 / (2023 \text{ TOTAL})$ .
  - The actual ISF is typically reduced by our DEEP Commissioner K. Dykes, to meet required program expenses..
- A total of 60 Title V sites will be receiving fee invoices for 2023 emissions.
- All invoices are planned for E-delivery by DEEP in May.
- Per Section 22a-174-26, all 2023 Emissions Fees are due July 1<sup>st</sup>, 2024.
