# Review of EEJ Mitigation Subcommittee meeting on Aug. 19

- What did we learn?
- Integrating what we learned

# Update on teams' revisions of their reports

- Cross-sector and Non-energy
- Buildings
- Electricity
- Transportation

# Preparation of WG report for public release on Sept. 10

Final team revisions due Aug. 31

DEEP editing of compiled team reports

- Editing of live versions while teams complete their revisions

- Nature and extent of editing

- Summary tables, appendices, participant list, glossary, list of acronyms

Preparation of introductory material: Introduction, EEJ discussion, adaptation/resiliency discussion

**Discussion on any problematic recommendations/strategies**

WG review process prior to Sept. 10

- Is Sept. 4 workable as deadline for DEEP editing?

- Is Sept. 8 workable as deadline for WG member of edited text?

Expectations about public engagement  
process Sept. 10-Oct. 19

# Other matters?

-

# Next steps

- Next WG meeting
