YOUTH CLIMATE ACTION DAY

April 18, 2018

The climate is changing. Sea levels are rising. Connecticut state leaders must act immediately to combat the rising threat of climate change.

Join CT youth's day of action, as we call on legislators to invest in our future and require CT to transform into a clean energy state through:

- Implementation of a community shared solar program
- Protection of net metering which allows individuals to share clean energy
- Reduce greenhouse gas emissions to protect communities from pollution
- Restore Clean Energy and Energy Efficiency Funds

Legislative Office Building, 300 Capitol Avenue, Hartford
