

Approved Prices for Connecticut DEEP-approved Covered Electronic Recyclers (“CERs”)

The DEEP-approved CERs are authorized to bill manufacturers at the rates indicated below for CEDs collected on or after **July 1, 2025**. The recycling fee is for eligible costs related to the transportation and recycling of covered electronic devices. The separation fee is for devices set aside at the request of a manufacturer. All manufacturers have the right to request that their branded products be set aside for transportation to a recycler of their choice. The regulations also allow CERs and manufacturers to enter into agreements that may vary the per pound price approved by the commissioner.

Recycler	Approved Recycling Fee (per pound)	Approved Separation Fee (per pound)
Dynamic Lifecycle Innovations, Inc.	44 cents	40 cents
EcoReworld, LLC	43 cents	34 cents
Electronic Recyclers International – Mass. Inc.	46 cents	35 cents
Newtech Recycling Inc.	47 cents	42 cents
