

Attachment B: Description of Applicant's Qualifications and Relevant Experience

This form shall be completed by the applicant to document the applicant's qualification and relevant experience for the past five (5) years in managing and recycling electronic waste, specifically including CEDs.

- 1. List all current and previous projects and contracts within the past five years and include a brief description and dollar value of each. Also include the price per pound, if ascertainable.**

Name of Project or Contract	Description	Dollar Value	Price / Pound

Attachment B: (continued)

2. List number of years that the applicant has been managing electronic waste including CEDs.

3. List any relevant experience of the applicant including any titles held (e.g., previous owner or operator of a recycling business).

4. List any awards, recognitions, certifications earned, current trade association memberships, articles written and speaking engagements. Attach copies of such certificates, awards, etc.

5. Provide references regarding the management and recycling of CEDs.

6. List any other relevant information.

☐ Check here if additional information (i.e., certifications or awards) is attached.
