

# Connecticut DEEP E-Waste Program

## 2025 Orphan Share Determination for Computers, Monitors and Printers

This market share determination shall be used for billing for orphan devices collected by [Covered Electronic Recyclers](#) under [Connecticut's E-Waste Recycling Program](#).

| Manufacturer                          | Manufacturer's Pro Rata Share of Orphan Devices |                |                |
|---------------------------------------|-------------------------------------------------|----------------|----------------|
|                                       | Computer                                        | Monitor        | Printer        |
| Apple, Inc.                           | 42.6486%                                        | 1.695%         |                |
| Hewlett Packard Company               | 13.5616%                                        | 3.418%         | 52.5452%       |
| Samsung Electronics America           | 7.9891%                                         | 20.370%        |                |
| Lenovo (United States), Inc. , Inc.   | 7.8092%                                         |                |                |
| Amazon.com Services, Inc.             | 7.7864%                                         |                |                |
| Dell Marketing LP                     | 4.9513%                                         | 14.034%        |                |
| ASUS Computer International           | 4.0796%                                         | 13.626%        |                |
| TCT Mobile, Inc.                      | 3.6567%                                         |                |                |
| Acer America Corporation              | 3.0366%                                         | 16.092%        |                |
| Walmart Inc.                          | 2.9432%                                         | 3.615%         |                |
| T-Mobile                              | 1.5377%                                         |                |                |
| LG Electronics USA, Inc.              |                                                 | 11.068%        |                |
| TPV USA Corporation                   |                                                 | 6.887%         |                |
| MSI Computer Corp.                    |                                                 | 5.108%         |                |
| BenQ America Corp.                    |                                                 | 1.425%         |                |
| Viewsonic Corporation                 |                                                 | 1.403%         |                |
| KOORUI American Limited               |                                                 | 1.259%         |                |
| Epson America, Inc.                   |                                                 |                | 17.7824%       |
| Canon USA, Inc.                       |                                                 |                | 17.1231%       |
| Zebra Technologies International, LLC |                                                 |                | 8.7353%        |
| Brother International Corp.           |                                                 |                | 3.8140%        |
| <b>Total</b>                          | <b>100.00%</b>                                  | <b>100.00%</b> | <b>100.00%</b> |
