

YOUTH CLIMATE SUMMIT

March 26, 2024

on-line

8:00 am - 1:30 pm

Keynote: Sena Wazer

Young leaders are cordially invited to share their ideas for engagement in climate impacts and environmental actions.

Join us for a free virtual Youth Climate Summit focused on building youth leadership. Strengthen your High School's environmental team and learn about issues and resources.

**Calling all CT High
School Teachers!**

**Register your School
and reserve seats to
participate in the
Youth Climate Summit.**

**Registration
Deadline March 20, 2024**

- 7:45 - 8:15 am Sign on
Activist Envisioning Quiz
- 8:15 - 9:00 General Welcome House Rules
Decoding the Activist Quiz-
- 9:05- 10:05 Breakout Session
- What To Do When You're Just Beginning?
 - Being Part of the Legislative Process
 - Place Based Environmental Justice
 - Energy Equity
 - Climate Change Schools
 - Art Activism
 - Finding Your Voice
- 10:10- 10:30 Climate Kahoot and Stretch
- 10:30 - 11:15 Sena Wazer, Passion to Career
How her path has taken her to Capitol Hill.
- 11:30- 12:30 Lunch Break
- 12:30- 1:15 Community Connections
Hear from a panel of organizations working with youth groups and young representatives as active participants. What are they doing and how can this be replicated to include other organizations and more student voices.
- 1:15- 1:30 Closing Remarks

Teachers when you register you will be asked to estimate the number of students you anticipate attending this year's virtual summit.

We will send you a separate registration link for breakout sessions a few days prior to the conference. This is to let us know how many students to expect for the breakouts for each of the speakers.

Due to limitations of seats for the virtual conference, each teacher will be provided 8 seats. We ask that you group your students into classrooms or groups for the breakout sessions.
