Low-Income Energy Advisory Board Meeting

Wednesday, January 4, 2012

1:30 p.m.

Community Renewal Team

Members: Anne Foley-Chair, Laura Gonzalez, Shirley Bergert, Joanne Balaschak and Ben Daigle for Jim Gatling, Kate Quigley, Kristen Formanek, Lindsay Parke, David Thomas, Pamela Giannini, James McNally, and Deb Polun.

Others: Tom O'Brien, Brenda Watson, Michael Coyle, Lynn Vasquez, Joy Hollister, Veronica Gomez and Pam Trotman.

Agenda Item	Action
Welcome	The meeting was convened at 1:35 p.m.
Approve Minutes of the December 7, 2011 Meeting	Laura Gonzalez moved approval of the December 7, 2011 meeting minutes and the motion was seconded by Shirley Bergert. The motion was approved on a voice vote.
FFY 2012 LIHEAP Update	<p>DSS reported on the administration of the CEAP through January 3, 2012:</p> <ul style="list-style-type: none">• 69,498 applications taken• 51,809 eligible applicants• 10,513 denied applications• 7,176 applications pending certification• 29,099 crisis assistance• 2,174 Safety Net <p>DSS reviewed the Caseload and Eligible Caseload Comparison charts thru January 3. The caseload comparison chart showed a -21.0% change in the caseload and the Eligible Caseload comparison chart showed a -25.5% change from the same time a year ago. The program started one month later than last year, which attributes to the percent change in caseloads.</p> <p>Based on increased federal funds for LIHEAP, Connecticut may receive a total of \$79.5 million, which is \$17.9 million more</p>

than was originally projected in the allocation plan approved by the legislature. As requested by legislators, the administration sent the following recommendations for use of additional funds to the chairs and co-chairs of the appropriations, human services and energy and technology committees for review and approval. Proposed additional funding will be used to provide:

- A \$140 supplemental payment to utility heated households
- An additional safety net benefit of \$400 to CEAP eligible deliverable heated households
- An extension to the intake end date from March 1 to May 1 (May 15 for utility heated customers with disconnect notices, consistent with prior years.

The board discussed in length these recommendations and expressed the following concerns with the proposal:

- Disparity in this year's energy assistance benefits between utility heated and deliverable fuel heated households.
- Low benefit levels
- Limited federal and state funding.

Shirley Bergert motion to submit recommendations to the legislative committees of cognizance urging them to:

- Immediately adopt implementation of the administration's proposal.
- Address disparities by increasing basic benefits equal to the 2010-2011 level should additional federal funds become available.
- In the event that additional federal funds are not allocated, consider the use of state-appropriated funds to increase the basic benefits equal to 2010-2011 level.

	<ul style="list-style-type: none"> • Urge the committees to hold a public hearing to address the basic benefit disparity and the appropriation of state funds. <p>The motion was seconded by David Thomas and approved on a voice vote with one abstention by the Commission on Aging. The Department of Social Services and the Office of Policy and Management opposed the motion.</p> <p>Other discussion topics related to the LIHEAP included:</p> <ul style="list-style-type: none"> • Deb Polun will draft and circulate proposed statutory language to amend the minimum oil delivery requirement for households. • Shirley Bergert will work with Tom O'Brien and other interested parties to develop recommendations on implementing a pilot program requiring deliverable households to participate in a co-payment program.
Update on the PURA Consumer Service Unit	Michael Coyle gave an update on the status of the PURA Consumer Service Unit. PURA is currently working on restructuring the Consumer Service Unit to better serve consumers. PURA is collaborating with Info-Line to develop a system by which Info-Line will be used as an initial contact to screen inquiries and make referrals to PURA and other appropriate programs and services. PURA and/or Info-Line will provide an update at the February meeting.
Weatherization Program 2013 Plan Update	Michael reported that the US Department of Energy has yet to release the allocation levels for the non-AARA Weatherization Program. An update will be provided at the February meeting.
Utility Matching Payment Program Updates	Utility Matching Payment Program Updates, as of December 2011:

	<p><u>United Illuminating</u> 1,869 auto enrolled customers 60 new enrolled customers 91 customers on the below budget payment plan</p> <p><u>CL&P/Yankee Gas</u> Report not available.</p> <p><u>SCG</u> 12,333 auto enrolled customers 1,775 new enrolled customers 420 customers on the below budget payment plan</p> <p><u>CNG</u> 10,676 auto enrolled customers 3,920 new enrolled customers 150 customers on the below budget payment plan</p>
Operation Fuel	Operation Fuel reported on its 2011-2012 Winter Program. A total of 247 applications taken for a total grant amount of \$121,471.
Next Steps	The next meeting is scheduled for Wednesday, February 1.

STATE OF CONNECTICUT
OFFICE OF POLICY AND MANAGEMENT

December 23, 2011

Senator Toni Harp, Co-Chair
Representative Toni Walker, Co-Chair
Appropriations Committee

Senator John Fonfara, Co-Chair
Representative Vickie Nardello, Co-Chair
Energy and Technology Committee

Senator Anthony Musto, Co-Chair
Representative Peter Tercyak, Co-Chair
Human Services Committee

Dear Co-Chairs of the Legislative Committees of Cognizance,

As you may know, the recent omnibus appropriations bill includes increased funding for the Low Income Home Energy Assistance Program (LIHEAP). Based on the projections provided by the Congressional Research Service, it is expected that Connecticut will receive a total of \$79.5 million in LIHEAP funding, which is \$17.9 million more than was originally assumed in the allocation plan approved by the legislature.

As a result of this additional funding, we are proposing: (1) a \$140 supplemental payment to utility heated households; (2) an additional safety net benefit of \$400 to CEAP eligible deliverable fuel heated households; and (3) extending the end date for intake from March 15 to May 1 (May 15 for utility heated customers with disconnect notices), consistent with prior years. To ensure that any additional benefits are targeted to those most in need and also meaningful, we are not recommending any changes to the benefits already approved for households served under the Contingency Heating Assistance Program.

I have attached our proposed FFY 2012 LIHEAP Projections/Benefits for your review and consideration as was requested by the committees in September. Because we want to proceed to implementation as quickly as possible to ensure that Connecticut's most vulnerable residents have access to needed fuel as this winter progresses, please advise me at your earliest convenience regarding the results of your review and consideration of the revised plan.

Sincerely,

A handwritten signature in black ink, appearing to read "Benjamin Barnes".

Benjamin Barnes
Secretary

Appropriations Committee

Senator John Fonfara, Co-Chair
Representative Vickie Nardello, Co-Chair
Energy and Technology Committee

Senator Anthony Musto, Co-Chair
Representative Peter Tercyak, Co-Chair
Human Services Committee

Dear Co-Chair of the Legislative Committees of Cognizance,

On behalf of the Low-Income Energy Advisory Board (LIEAB), we recommend that the committees adopt the proposed 2012 Low Income Home Energy Assistance Program (LIHEAP) Projections/Benefits submitted to you by Secretary Barnes of the Office of Policy and Management on December 23, 2011.

This proposal details the use of the anticipated increase of \$17.9 million in federal funds for the Connecticut Energy Assistance Program (CEAP). The Advisory Board urges the committees to adopt implementation of the proposal immediately to allow the program to continue to operate efficiently without any interruption of services and to meet the needs of our most vulnerable residents.

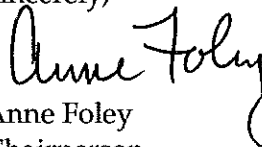

In addition, the Advisory Board recognizes the disparity in this year's energy assistance benefits between utility heated and deliverable fuel heated households and believes that it is imperative that a meaningful level of equity of benefits be provided to those utility heated and deliverable fuel heated households that are struggling economically. In order to address the disparity, the Board recommends:

- Increasing basic benefits equal to the 2010-2011 level should additional federal funds become available; and,
- In the event that additional federal funds are not allocated, consider the use of state-appropriated funds to increase the basic benefits equal to 2010-2011 level.

In conclusion, the Advisory Board urges the committees to immediately adopt the submitted LIHEAP Projections/Benefits. In addition, we are encouraging the committees to hold a public hearing to address the basic benefit disparity and the appropriation of state funds.

We respectfully request your immediate attention to this and your support of these recommendations. If you should have any questions or need additional information, please contact me at (860) 418-6268.

Sincerely,

Anne Foley
Chairperson
Low Income Energy Advisory Board

The Connecticut General Assembly

January 27, 2012

Benjamin Barnes
Secretary
Office of Policy and Management
450 Capitol Avenue
Hartford, CT 06106-1379

Dear Secretary Barnes:

Thank you for your December 23, 2011 letter regarding the anticipated increase of \$17.9 million in federal funding for the Low Income Home Energy Assistance Program (LIHEAP).

We have reviewed your proposed allocation of these funds and concur with your recommendations. However, we remain concerned about the disparity between utility heated and deliverable fuel heated households. We plan to pursue, with the Human Services and Energy & Technology Committees, the request of the Low Income Energy Assistance Advisory Board for a hearing on the disparity issue in the coming weeks. It is our hope that we can continue to have conversations on this issue, particularly if additional federal funds become available.

Please keep us apprised of federal action on LIHEAP funding.

Sincerely,

Handwritten signature of Sen. Toni Nathaniel Harp.

Footnotes

* - Set Asides are established for identified program obligations. They include funding for program administration, Assurance 16 and LIHEAP SNAP.

In addition, set asides have been established to cover the costs Crisis Assistance and Safety Net Assistance.

All set asides are in accordance with the amounts identified in the amended LIHEAP Allocation Plan.

** - Estimated Approvals are established for two categories of applications - pending and incomplete. Many applications in these categories will become eligible once the requested documentation is received and processed. These set asides are based on applying last year's final performance numbers to this year's caseload data.
