**ENERGY &
ENVIRONMENTAL
PROTECTION**

HEALTH & SAFETY DISCLAIMER

This is to verify that I have been alerted to the presence of a health & safety concern, specifically _____ in the following area/s of my home or property: _____.

I understand that it was determined that work may still be performed in my home despite this potential hazard and that in large enough concentrations, these concerns can be a serious health hazard and that I have been provided with information concerning the dangers of _____ problems in my home or property.

Furthermore, should _____ authorize any weatherization work or repairs to my home or property, I understand that neither they nor their State and Federal funding sources shall be held responsible for any future liability related to the above mentioned condition.
