

WAP Technical Services Provider RFP Q&A

Subject	Question	DEEP Response
Contract summary	Can you go over the extent of the contract and the idea of what the contract would be for, say, someone like me applying?	The purpose of this RFP and the scope of services are outlined in Section II-C of the RFP. The application process is outlined in Section III. Please refer to Section V. Mandatory Provisions, including the Attachments to the RFP for information regarding contracts.
Number of awards	What would dictate more than one award being made? Is that based on capacity or on a different criteria?	Up to 4 awards will be issued. However, there is no specific list of criteria used to determine how many awards the State will issue. During the selection process, the reviewers will score proposals based on the criteria outlined in Section III-B for both Desk Technical Monitors and Field Technical Monitors. Based on these scores, the reviewers will recommend the selection of proposals(s) that will best achieve the goals and objectives of this project (outlined in Section II-C).
Preferences of awardees	Is it [the RFP] preferential to in-state, out-of-state [providers] for this application?	No, the State will not give preferential treatment to in-state providers during the selection process. However, some requested services do require the ability to work in-person within Connecticut (e.g., for on-site inspections).
