Order No. 2247

CONSENT ORDER

- A. With the agreement of GEM Manufacturing Company, Inc. ("Respondent"), the Commissioner of Energy and Environmental Protection ("Commissioner") finds the following:
1. The Respondent manufactures precision deep drawn metal products, stampings and mechanical assemblies located at 78 Brookside Rd, in Waterbury, Connecticut ("facility").
 2. At the facility, the Respondent operates a Pero Perchloroethylene Degreaser ("Degreaser").
 3. The Degreaser is subject to Title 40 Part 63, Subpart T (National Emissions Standards for Halogenated Solvent Cleaning "Degreaser MACT").
 4. The Respondent operates the Degreaser under new source review ("NSR") Permit No. 192-0262.
 5. NSR Permit No. 192-0262 limits Perchloroethylene emissions to 1.0 pound per hour, 418.76 pounds per 3-month rolling average, and 2.51 tons per year. Additionally, NSR Permit No. 192-0262 requires the Respondent to keep daily records of hours of Degreaser operation.
 6. Pursuant to Section 63.468(h) of the Degreaser MACT, the Respondent submits quarterly exceedance reports.
 7. The Respondent submitted quarterly exceedance reports on July 30 and October 25, 2010. The reports indicated that the Respondent exceeded their permitted 3-month rolling average and annual Perchloroethylene emissions limits for quarterly periods ending on June 30 and September 30, 2010, respectively. Consequently, Notice of Violation ("NOV") No. 16639 was issued to the Respondent on November 17, 2010.

Date Issued: November 28, 2011

8. The Department of Energy and Environmental Protection conducted two inspections of the facility on December 31, 2010 and January 31, 2011. The inspections revealed that the Respondent exceed their hourly Perchloroethylene emissions limit and failed to keep daily records of degreaser operation required by Permit No. 192-0262. As such, NOV Nos. 16682 and 16863 were issued to the Respondent on March 29, 2011.
 9. By virtue of the above, the Respondent violated the requirements of Permit Nos. 192-0262 and 40 CFR 63, Subpart T.
- B. With the agreement of the Respondent, the Commissioner, pursuant to Sections 22a-6, 22a-171, 22a-174, 22a-176, 22a-177, and 22a-178 of the Connecticut General Statutes, orders the Respondent as follows:

 2. Civil Penalty. On or before 30 days after the issuance of this consent order, the Respondent shall pay a penalty of \$8,750 as the total civil penalty to be sought by the Commissioner for those, and only those, violations described in paragraphs A.7 and A.8 of this consent order.
 3. Payment of penalties.  4. Approvals. The Respondent shall use best efforts to submit to the Commissioner all documents required by this order in a complete and approvable form. If the Commissioner notifies the Respondent that any document or other action is deficient, and does not approve it with conditions or modifications, it is deemed disapproved, and the Respondent shall correct the deficiencies and resubmit it within the time specified by the Commissioner or, if no time is specified by the Commissioner, within 30 days of the Commissioner's notice of deficiencies. In approving any document or other action under this consent order, the Commissioner may approve the document or other action as submitted or performed or with such conditions or modifications as the Commissioner deems necessary to carry out the purposes of this consent order.
