**Description**

Join Connecticut Equity and Environmental Justice Advisory Council (CEEJAC) Waste Subcommittee for a public meeting with DEEP's Waste Enforcement Division. In this meeting, we learn about how DEEP's Waste Division enforce environmental regulations, rules, and permits. The program will cover the ins and outs of enforcement such as:

- What happens when the public submits a complaint?
- What happens during an inspection? How often do inspections occur, and what are DEEP staff looking for during an inspection?
- Who are the entities engaged in enforcement? State agencies, Municipalities, Federal agencies?

Please join us for this much requested session! Please reach out to [DEEP.CEEJAC.@ct.gov](mailto:DEEP.CEEJAC.@ct.gov) if you have any questions.

This is a public meeting and will be recorded and posted on the [Connecticut Equity and Environmental Justice Advisory Council](#) website.
