

Commercial Scup Fishery Possession Limit Increase

NOTICE

Effective 0001 hours, Saturday, July 9, 2022, the following possession limits will be in effect for Connecticut's commercial scup fishery:

- 2,500 pounds for holders of a Scup License Endorsement.
- For Restricted Commercial Fishing License holders: 60 fish.
- From lobster pots when in possession of lobsters: 10 fish. This does not apply to personal use lobster license holders.

The possession limits listed above apply to the aggregate of all persons on board the vessel per trip or per day whichever is the longer period of time. Transfer of these species between vessels at sea is prohibited. In any instance where there is a violation of the possession limit on board a vessel carrying more than one person when the catch is commingled, the violation shall be deemed to have been committed by the owner of the vessel, or the operator of the vessel, if the owner is not on board. When any person on a vessel is commercial fishing, the commercial possession limit applies to the entire vessel and no person on that vessel may also possess fish under a recreational creel limit.

For current commercial fishery trip limits and quota status:

Call 860-434-6374 24/7 for a recorded message of current possession limits, or see: www.ct.gov/deep/TL.

The Department monitors landings and adjusts trip limits according to Department regulations in an attempt to provide fishing opportunity throughout the year for all participants in the commercial fishery. In addition, the Department strives to provide advance notification of trip limit changes, although this may not always be possible due to rapidly escalating or unanticipated landings. In such circumstances, only a short notification period may be possible.

The information provided in this notice is a summary of possession limits and other general rules only.
