

FREE FIRST AID & CPR CLASS FOR FISHERMEN

As fishermen, you are the first responders at sea. The CPR and First Aid Course is enhanced to teach life-saving skills to treat injured or ill crew on board your vessel before emergency medical personnel arrive.

Practical Skills you will learn include:

Patient Assessment System, CPR & AEDs, Packaging a Patient for Medevac, Stabilizing Head/Neck/Spine Trauma, Hypothermia Treatment, Proper Wound Care, Narcan Administration, Injury Prevention, Cardiac Event Management, Marine Bites, Spines and Stings, Splints and Slings, Use of Tourniquets, First Aid Kits for Fishing Vessels

Meets Coast Guard Requirements under 46 CFR 28.21
