

# Connecticut Department of Energy & Environmental Protection

## FORESTRY DIVISION

## Registering for a New Account in E-License and Completing an Initial Forest Practitioner Application

### Do not make a new account if:

- You have had another State of Connecticut certification in the past (i.e. Arborist, Pesticide)
- You currently have an active State of Connecticut certification
- If you have an account with another agency in E-License

1. Go to: <https://www.elicense.ct.gov/>

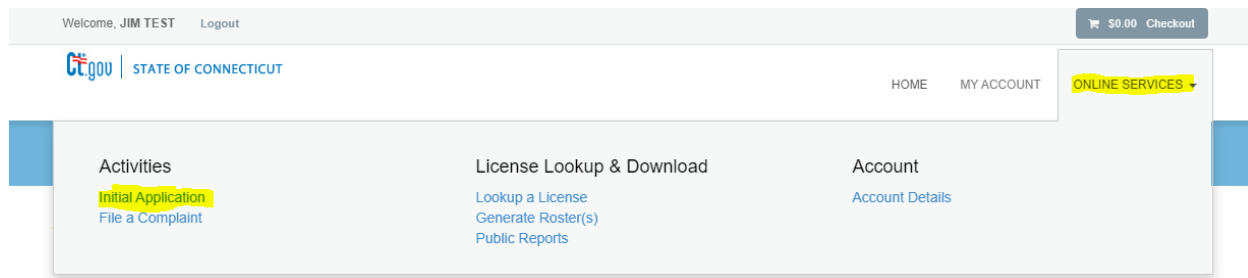

Having difficulties logging in? Use the forgot password and/or forgot username tool. If you believe you already have an account and still cannot login, please contact [DEEP.Forestry@ct.gov](mailto:DEEP.Forestry@ct.gov).

If you do not have an account and you are looking to apply for a certification, click register.

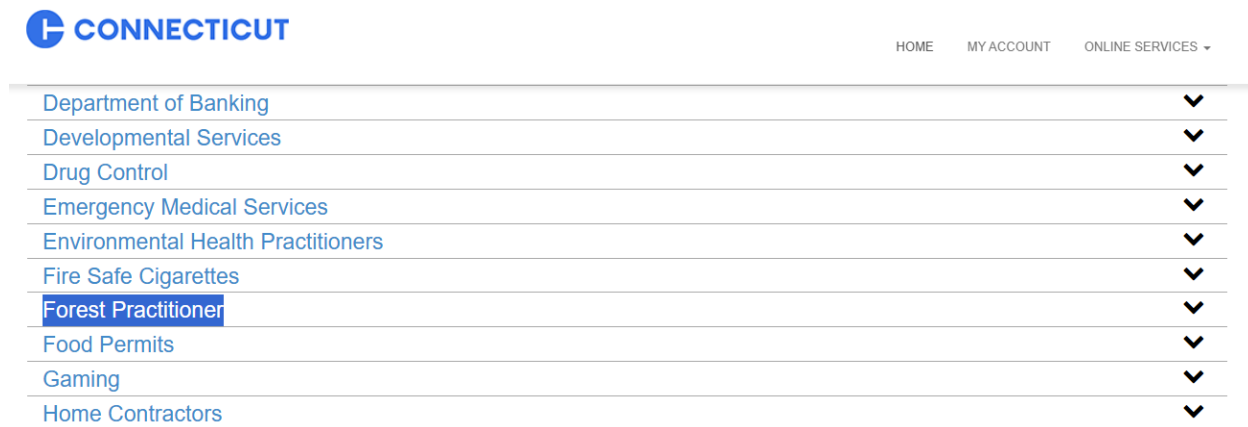

The screenshot displays the Connecticut eLicense website interface. At the top, there is a navigation bar with 'Login' and 'Register' buttons. Below this, the 'ct.gov | STATE OF CONNECTICUT' logo is visible on the left, and 'HOME MY ACCOUNT ONLINE SERVICES' links are on the right. The main content area is divided into two panels. The left panel, titled 'Access Your Account', contains a 'Fast Track Renewal' tab, input fields for 'User ID' and 'Password', a 'Log In' button, and links for 'Don't have an account? Register', 'Forgot Password?', and 'Forgot User ID?'. The right panel, titled 'Welcome to the State of Connecticut's eLicense Website', provides instructions for users. It includes sections for 'VERIFY A LICENSE & ROSTER' (selecting online services), 'LICENSE RENEWAL' (accessing accounts, validating email, and not registering new accounts for renewal), 'FAST TRACK RENEWAL' (checking renewal notifications), 'INITIAL APPLICATION' (registering for first-time users), and 'FILING A COMPLAINT' (optional logging in and filing complaints).

2. You will be prompted to answer a series of questions. Then, you will be sent an email to confirm your email address. You must click the link in the email to confirm and activate your account.

3. Once your email address has been verified you may start a new application. At the top right of the page choose 'ONLINE SERVICES', then choose 'Initial Application'

4. This should bring you to a listing of all the agencies that have licenses you can apply for. Scroll down until you reach 'Forest Practitioner'.

5. Once you choose Forest Practitioner, you should be given the options as to the certifications and registrations you may apply for. Click on the corresponding 'Start' link to start the application. If you are unsure of which certification or registration you should be applying for, please [visit our website](#).
