City Pier and Waterfront Park

Captain's Walk/State Street (foot of) New London, CT 06320

Site Description: Located in the heart of New London and serving as the focal point of the newly constructed linear waterfront park, the pier hosts cruise ships, fishing, and offers fantastic views of the Thames River. The accompanying waterfront park includes a 1/2 half mile improved promenade. The park hosts cultural and arts events throughout the summer and recreational facilities including public mooring and transient dock space, fishing piers, public art displays and a car-top boat access ramp.
