PFAS Reporting Form for Manufacturers

Perfluoroalkyl and polyfluoroalkyl substances (PFAS)

Manufacturers who have selected products with intentionally added PFAS must provide notification to DEEP by completing and submitting this form to the Department of Energy and Environmental Protection in accordance with [CGS section 22a-903](#). Print or type unless otherwise noted. You must submit the registration fee along with this completed form.

If any information submitted to DEEP to maintain compliance with Connecticut General Statutes 22a-903c contains trade secrets or confidential information, as defined by Connecticut General Statutes section 1-210(b)(5), a person may request that such information be treated as confidential. The request should accompany the submission and: (1) identify which information is a trade secret or confidential commercial or financial information, and (2) include a statement explaining the basis for treating the information as a trade secret or confidential commercial or financial information under Connecticut General Statutes section 1-210(b)(5). Relevant portions of the submission should be clearly marked "confidential." Connecticut General Statutes section 1-210(b)(5) exempts from disclosure under the Connecticut Freedom of Information Act:

- (A) Trade secrets, which for purposes of the Freedom of Information Act, are defined as information, including formulas, patterns, compilations, programs, devices, methods, techniques, processes, drawings, cost data, customer lists, film or television scripts or detailed production budgets that (i) derive independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from their disclosure or use, and (ii) are the subject of efforts that are reasonable under the circumstances to maintain secrecy; and
- (B) Commercial or financial information given in confidence, not required by statute.

Part I: Manufacturer Information

*If an applicant is a corporation, limited liability company, limited partnership, limited liability partnership, or a statutory trust, it must be registered with the Secretary of State. If applicable, the applicant's name shall be stated **exactly** as it is registered with the Secretary of State. Please note, for those entities registered with the Secretary of State, the registered name will be the name used by DEEP. This information can be accessed at the Secretary of State's [Business Records Search](#) website.*

- ii) provide Secretary of the State business ID #: _____ This information can be accessed at the Secretary of State's [Business Records Search](#) website.
- iii) Check here if your business is **NOT** registered with the Secretary of State's office.

Part II: Fee Information

A registration fee of eight hundred dollars (\$800) [#XXXX] shall be submitted with this registration for the manufacturer listed above on this application. The registration will not be processed without the fee.

The fee shall be non-refundable and shall be paid by check or money order to the Department of Energy and Environmental Protection or through the E-Payment portal.

Check here if paying online through the E-Payment portal; *after the registration is received and entered, pay instructions will be emailed to the Primary/Billing Contact listed.*

Part III: Product Information

Select all product categories that are manufactured with intentionally added PFAS. List the amount (in g) of each PFAS or PFAS subgroup present in the product category, and the range by percent weight in the product category. If the range by percent weight is for a component within a product or product category (i.e. non-stick coating), identify the component. If no analytical method exists to determine the amount or range by per cent weight of PFAS in the product category, provide the amount of total fluorine present in the product category. **Please attach additional pages if necessary.**
