

VOLUME REDUCTION PLANTS

Revised: September 2020

**For more information, call the Waste Engineering and Enforcement Division
at 860-424-3366.**

This list of companies operate permitted processing facilities in Connecticut for construction and demolition ("C+D") materials consisting of, but not limited to, asphalt roofing shingles, sheetrock, treated wood products, and scrap metal including oversized municipal solid waste (i.e. mattresses, rugs, and furniture), clean wood and other recyclable items. As noted, some facilities are also permitted to receive trash or garbage also known as municipal solid waste ("MSW").
