

Good morning Working Group members,

We are looking forward to seeing you for our monthly meeting shortly. Now that you have had some time to review the [latest draft of the regulations](#), we want to use today's meeting to answer any questions you may have or to discuss specific sections. We are also happy to discuss the minor legislative realignments the Department has proposed, [which you can find here](#).

As always, we are happy to discuss or answer any questions you may have.

Thanks, and see you soon!

Emma
