

Members of the Release Based Working Group,

We are very excited to share that we're on track to go to notice on the Released Based regulations by the end of July. To that end, we are holding an **ad hoc working group meeting on from 3-4pm on Thursday, July 25th**. We'll be prepared to walk through some of the major changes we've made since we issued the draft regs in December, and we'll share a redline highlighting those changes in advance of the meeting.

You'll be receiving a zoom registration link for this meeting tonight or tomorrow morning.

See you Thursday!
