First Release-based Working Group Meeting
December 8, 2020, 1:00 p.m.

Good afternoon,

Thank you for your interest and willingness to participate with the Departments of Economic and Community Development & Energy and Environmental Protection, as we work toward developing regulations that will implement a release-based cleanup program. A diverse working group with varied experiences is critical to our shared success.

The kick-of meeting of the Release-based Working Group will be next Tuesday (Dec. 8th), 1:00-2:30 p.m. An agenda for this meeting is attached. At our first meeting, an important task will be finalizing the topical subcommittees. Please review the draft topical subcommittees **here**.

For more information regarding this process, please see the **Release-based Clean Up Program Regulation Development webpage**.

Sincerely,
