

Subject: Ad Hoc Team Announcement

Dear Working Group Members,

As announced in the 6/13 Working Group meeting, a new Ad Hoc Team has been established. The team has been charged with identifying at least three representative release scenarios to test the outcomes generated by the tiers checklist, review and discuss comments received from the Working Group and the public on the Tiers Checklist, respond to any comments, and provide any recommended adjustments to the Tiers Checklist to the Department and the Working Group. Information on this Ad Hoc Team can be found in the 6/13 Working Group PowerPoint that can be found [here](#).

The Ad Hoc Team members will be as followed:

Margaret Miner
Brent Henebry
Lee Hoffman
Andrew Zlotnick
Douglas Pelham
Sam Haydock
Emilee Scott

The DEEP resources are: Amber Trahan, John Gallalee, Kevin Vanderveer, and Carl Gruszczak. They will be involved to provide support to the Ad Hoc Team.

The Ad Hoc Team meetings will start late next week, and the Team will be reporting back at the August 14th working group meeting.

See you at our July meeting!
Graham
