REACT

Release, Environmental
Assessment, and Cleanup
Tracker

Introduction For Registered "Authenticated" Users

February 2026

Overview

Goals

- Ensure **public transparency**
- Modern **user experience**
- Streamlined **case management workflows** from creating cases and immediate actions through remediation and long-term stewardship
- **Improve communication** between property owners, their representatives, and DEEP staff
- **Reduce paperwork**

Components

Public Portal – Authenticated users (Property owners, LEPs, PEPs, attorneys...) can create **Cases, Milestones, Submittals**, and make **e-Payments**.

Public users (realtors, researchers...) can view all, though not create cases or make edits to data.

Staff Portal – DEEP Staff work in the portal to manage **Cases, Schedules, Milestones, Submittals**, and **Payments**.

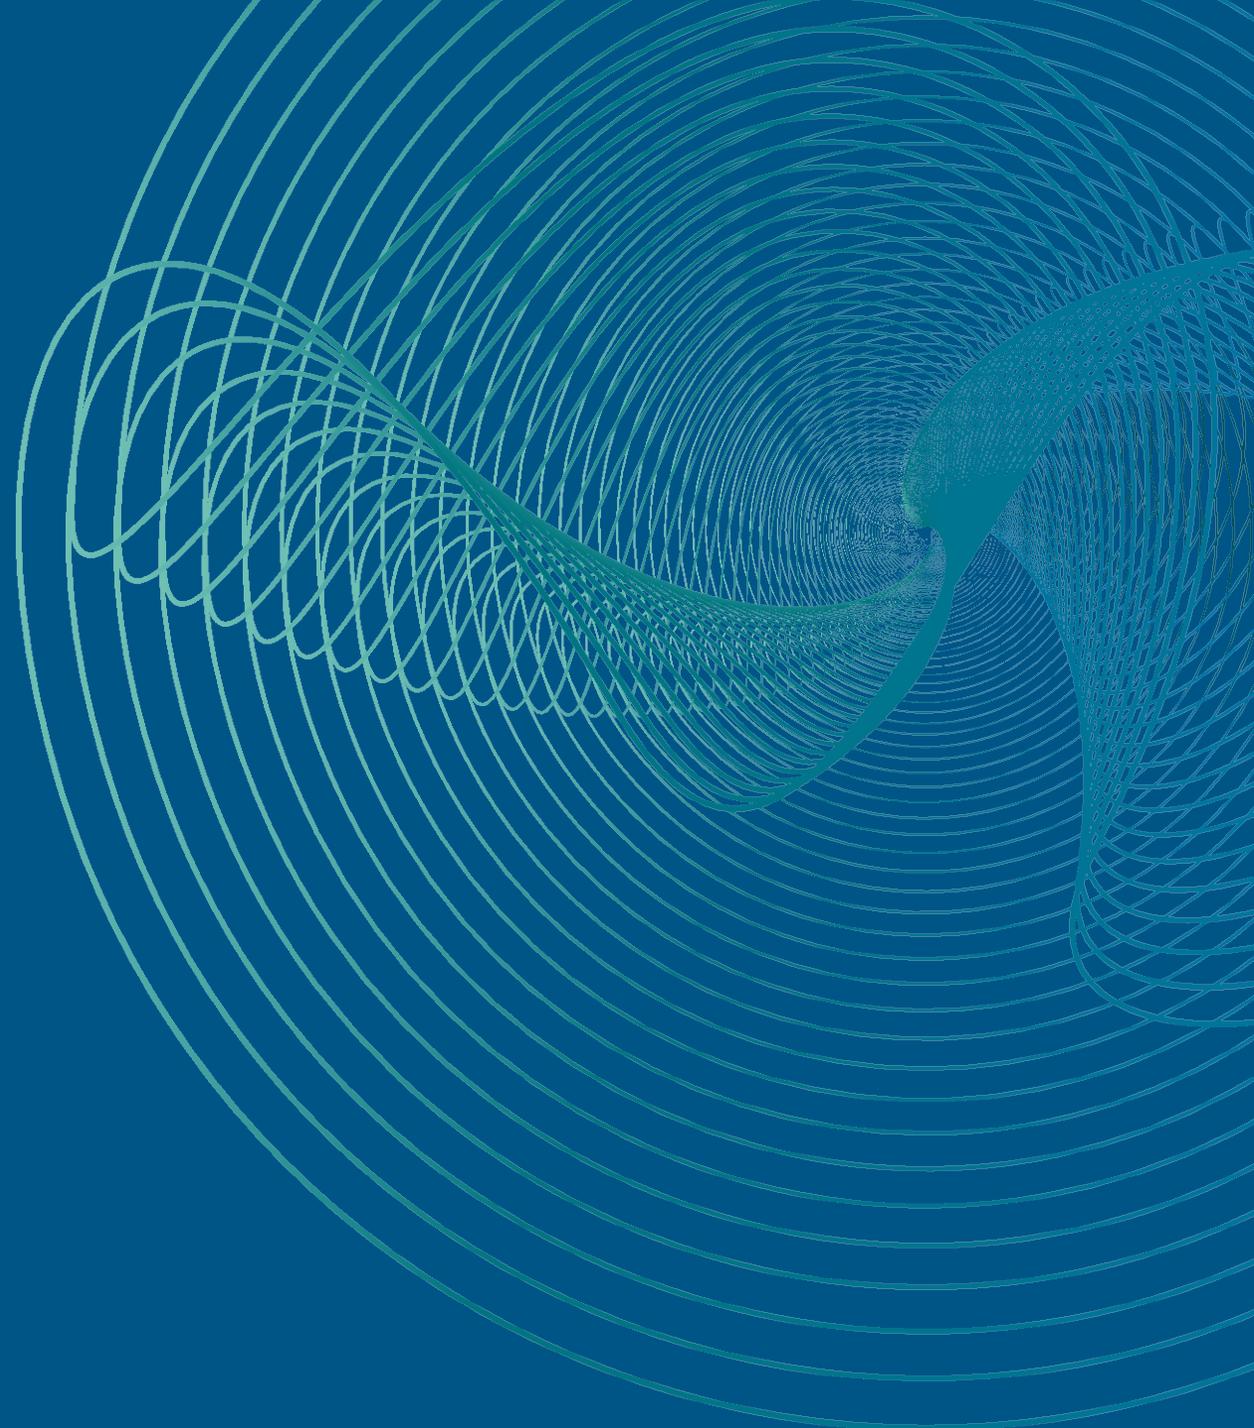

REACT Elements

- Public can see simple lists, and conduct searches on properties
- Online tracking for Release-Based Cleanup Regulations elements and other cleanup programs
- Only Authenticated Users can upload documents (submittals)
- Free registration to become an Authenticated User
- Authenticated Users can report existing releases, submit documents, and view status and stages
- Public can view all data but cannot edit any information
- Multiple users can work in the same case if all are affiliated with that case

Topics Today HOW TO:

- Navigate the public portal
- Sign up for a free ct.gov account [if you will upload submittals, manage cases]
- Understand your Home Page
- Populate your Home Page with your cases
- Add affiliations [associate yourself to an existing case]
- Edit location on an existing site/case
- Submit a Submittal on an existing case
- Create a case [if there is time, otherwise –next time]

PUBLIC PORTAL

Welcome

Welcome to the CT DEEP environmental cleanup tracker. Search for properties where releases have occurred and track environmental cleanup progress.

What would you like to do today?

Search for Properties
Click to look up environmental cleanup records.

What's in My Town?
Create Custom Reports by selecting towns, programs, status.

View All Cleanup Cases
Click to see a list of all cases statewide, sorted by Town.

[← Return to DEEP Cleanup Main Page](#)

Public facing feature – no signing up and logging in needed when searching

Search for Properties

Click to look up environmental cleanup records.

Let's search!

- Search by address or select a location on the map
- Visualization of the area in the same page, no need to jump to a geospatial platform

Troubleshooting: Clear your cache; make sure URL shows REACT in the URL [not UAT, for example] <https://deep-react.service.ct.gov/s/>

A vertical sign-up form for CT.GOV. At the top, it says "CT.GOV | State of Connecticut". The form is titled "Sign up" and includes fields for "First name", "Last name", "Username", "Email address", "Confirm email address", "Mobile number (Optional)", "Preferred language" (English or Spanish), "Password", and "Confirm password". Below the password field, there are five password requirements: 9+ characters, 1 capital letter, 1 number, 1 lower case letter, 1 special character, and a maximum of 64 characters. At the bottom, there is a "Sign Up >" button and a link "Already have an account? Sign in".A horizontal log-in form for CT.GOV. At the top, it says "CT.GOV | State of Connecticut" and "Language" with a globe icon. The form is titled "Log in" and includes fields for "Username or email address" and "Password". Below the password field, there is a "Forgot your username or password?" link and a "Log In >" button. To the right of the form, there is a "Welcome to CT.GOV" section with a sub-header "Need a CT.GOV account? Create a new account now" and a "Security" section with a sub-header "The State of Connecticut takes your security seriously." and a "Read about our security measures." link. At the bottom, there is a "Need a CT.GOV account? Sign up now!" link. The footer contains "CT.GOV", "Disclaimer", "Privacy Policies", "Accessibility", and "© 2024 CT.GOV | CONNECTICUT'S OFFICIAL STATE WEB" with a "Privacy - Terms" link.

Homepage for Authenticated User

My Home Page

- Dashboards
- Quickly launch "New Case Creation" Omniscrypt (smart form), or check submittal status, make e-payments.
- List views

The screenshot shows the homepage of the CT.GOV Department of Energy and Environmental Protection Portal. The header includes the CT.GOV logo, the department name, a search bar, and navigation links for Home, Search, Sites, Cases, Submittals, Milestones, Chemicals, Reports, and Payments. A notification bell icon with a red '3' and a user profile icon are also present. A green arrow points to the notification bell.

The main content area is titled "Home Page" and "Welcome Monica". It features a "What would you like to do today?" section with three cards: "Search for Properties", "Create a New Case", and "Make a Payment".

A "Notifications" modal is open, displaying a "File Upload Successful" message: "Your Laboratory Results and Summary Table file was uploaded successfully. The file is now accessible from the files related list on RCN-085393." The notification is dated "20 hours ago".

Below the notifications, there are two dashboards:

- My Submittal Status Tracker:** A horizontal bar chart showing the case count for various program types. The x-axis is labeled "Case Count" and ranges from 0 to 60. The y-axis is labeled "Program Types".
- Cleanup Stage:** A donut chart showing the distribution of cases across different cleanup stages. A legend on the right lists the stages: Scheduled (blue), Overdue (orange), Received (black), Review (light blue), Not Required (purple), Approved (dark purple), and Denied (green).

Program Type	Case Count
Open	45
Approved	24
Denied	8
In Review	2
Etc.	1

Cleanup Stage	Count
Scheduled	15
Overdue	5
Received	10
Review	5
Not Required	10
Approved	15
Denied	5

How to navigate?

Use Tabs, Global Search bar or Action Buttons

The screenshot displays the user interface of the Department of Energy and Environmental Protection Portal. At the top left, the CT.GOV logo and the department name are visible. A central white search bar is present in the blue header. To the right of the search bar are notification and user profile icons. Below the header is a horizontal navigation menu with tabs for Home, Search, Sites, Cases, Submittals, Milestones, Chemicals, Reports, and Payments. The 'Home' tab is currently selected. The main content area shows a personalized welcome message for 'Monica' and a section titled 'What would you like to do today?' containing six action buttons: 'Search for Properties', 'Create a New Case', 'View My Cases', 'View My Submittals', 'View My Milestones', and 'Make a Payment'. Three green arrows point from the text 'Use Tabs, Global Search bar or Action Buttons' to the 'Cases' tab, the search bar, and the 'View My Submittals' button, respectively.

Getting Started:
How to populate
your homepage
with your cases
and submittals

Add yourself as an Affiliate

Step 1: Hit Edit Affiliations

The screenshot displays the user interface of the Department of Energy and Environmental Protection Portal. At the top left is the logo and text: "DEPARTMENT OF ENERGY AND ENVIRONMENTAL PROTECTION PORTAL". A search bar is located to the right of the logo. Below the search bar is a navigation menu with links: Home, Search, Sites, Cases, Submittals, Milestones, Chemicals, Reports, and Payments. A large green arrow points down to the "Edit Affiliations" button in a row of action buttons. Other buttons in the row include "New Submittal", "Edit Case Chemicals", "Edit Location", "Add Spill Work Tickets", and "Add Affiliations". Below the buttons, there is a table with columns: "Form III", "Case Status", and "REACT Case Number". The "Case Status" column shows "Open" and the "REACT Case Number" column shows "DCN-0" with a green starburst icon. At the bottom, there is a progress bar with steps: "Cleanup Started" (highlighted in dark blue), "Soil Cleanup Complete - GW...", "Cleanup Complete - LTS", and "Cleanup Complete - No LTS".

But wait I tried to Edit Affiliations and I get an error!!!

You will need to provide info on Regulated Entity first!!!!

The screenshot shows a web browser window with the URL <https://deep-react.service.ct.gov/s/case/500cs00001Q29PsAAJ/detail>. The page features a blue header with the CT.GOV logo and a navigation menu with items: Home, Search, Sites, Cases, Submittals, Milestones, Chemicals, Reports, and Payments. A red error banner at the top reads: "You need to add affiliations before proceeding. Use the Add Affiliations button to add the required affiliations." Below the banner, a row of buttons includes "New Submittal", "Edit Case Chemicals", "Edit Affiliations" (circled in green), "Edit Location", "Add Spill Work Tickets", and "Add Affiliations". A green arrow points from the error message to the "Edit Affiliations" button. The main content area displays case details for "Case 102 P Street" with a status of "Open" and a "REACT Case Number" of "DCN-102-P-Street". A progress bar shows stages: "Cleanup Started" (active), "Soil Cleanup Complete - GW...", "Cleanup Complete - LTS", and "Cleanup Complete - No LTS". The "Details" tab is selected, showing a "General Information" section with fields for "Case Program" and "Case Number". A "Site Map" section is also visible on the right.

Adding Affiliations:

1- Hit Add Affiliations

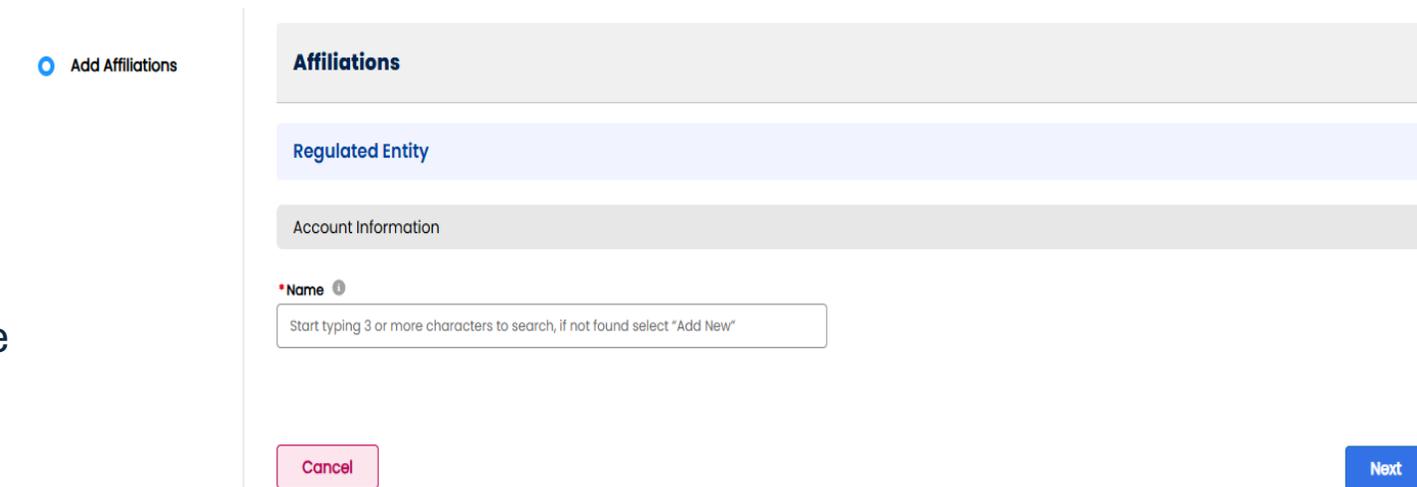

The screenshot shows the top navigation bar of the Department of Energy and Environmental Protection Portal. The header includes the CT.GOV logo, the department name, and a search bar. Below the header is a navigation menu with links for Home, Search, Sites, Cases, Submittals, Milestones, Chemicals, Reports, and Payments. The main content area displays a case card for 'Case 102 Street'. The 'Add Affiliations' button is circled in purple. Below the case card, there is a table with columns for Case Program, Case Status, and REACT Case Number. The table contains one row with the values 'Property Transfer - Form III', 'Open', and 'DC-102'.

2- Select Regulated Entity

Start typing the name of the Company or Individual listed as the Regulated Entity and a drop down list will start to appear, select the name that we have in our system that best matches, and Click NEXT

-If there are no matches at all click on Add New Account, and fill out the information requested in the flow to add your account and then click NEXT.

The screenshot shows the 'Add Affiliations' form. The form has a sidebar with a blue circle and the text 'Add Affiliations'. The main form area has a title 'Affiliations' and a section for 'Regulated Entity'. Below this is a section for 'Account Information'. The 'Name' field is required and has a search input with the placeholder text 'Start typing 3 or more characters to search, if not found select "Add New"'. There are 'Cancel' and 'Next' buttons at the bottom of the form.

the cases I manage. ”

Case Record Page

Case Record Page

Main features:

- Overview of geographic, environmental, programmatic and administrative information
- New Submittal
- New Immediate Action

The screenshot shows the 'Case Record Page' for a release case. At the top, the header includes 'CT.GOV', the 'DEPARTMENT OF ENERGY AND ENVIRONMENTAL PROTECTION PORTAL' logo, a search bar, and navigation links for Home, Search, Sites, Cases, Submittals, Milestones, Chemicals, Reports, and Payments. The case title is 'Coca-Cola Beverages Northeast Release-Based'. A row of action buttons includes 'New Submittal', 'Edit Case Chemicals', 'New Immediate Action', 'Edit Affiliations', 'Edit Location', and 'Spill Work Tickets'. Below this is a table with the following data:

Case Program	Status	REACT Case Number
Release-Based	Open	RCN-109775

A pink alert banner states: 'Attention: This Release Requires Immediate Action. Take Steps to Achieve Progress Milestones.' Below the alert is a progress bar with stages: Investigation Started (active), Investigation Completed, Cleanup Started, Soil Cleanup Complete - GW..., Cleanup Complete - LTS, and Cleanup Complete - No LTS. The 'Details' tab is selected, showing 'General Information' with the following fields:

Field	Value
Case Program	Release-Based
Case Name	Coca-Cola Beverages Northeast Release-Based
Date Reported	
Case Address	451 MAIN ST East Hartford, Connecticut 06118 United States
Regulated Entity	Rebeca
Agency ID	
Cleanup Stage	Investigation Started
Engineered Controls in place	<input type="checkbox"/>
Stewardship Permit in Place	<input type="checkbox"/>
REACT Case Number	RCN-109775
Case Creation Date	10/30/2025
Site Name	STE-0000432664
Official Town	East Hartford
EPA ID	
Status	Open
Case Acreage	55.74
Env. Use Restrictions in place	<input type="checkbox"/>
Case Origin	REACT

A map on the right shows the 'Site Map' with a location pin at '451 Main St, East Hartford, Connecticut, 06118'. The map includes a legend for Release Location, Site, Primary Parcel, Release Parcel, and Associated Parcel(s). Below the map is a 'Files (1)' section showing a PDF file named 'test.pdf' (14.4 KB, Oct 5, 2025).

Editing the Location

- Why do we need to edit location?
- During migration of Legacy data the address may have come through but the official town did not populate causing a mis match of the 2 maps on the case record page

The screenshot displays the user interface for a case record in the CT DEEP system. At the top, there is a navigation bar with the CT.GOV logo and the Department of Energy and Environmental Protection Portal. Below this, a search bar and a menu with options like Home, Search, Sites, Cases, Submittals, Milestones, Chemicals, Reports, and Payments are visible. The main content area shows the case name "CT DEEP Headquarters Office Jan19 Test" and a row of action buttons: "New Submittal", "Edit Case Chemicals", "New Immediate Action", "Edit Affiliations", "Edit Location" (circled in red), "Add Spill Work Tickets", and "Add Affiliations". Below the buttons, case metadata is displayed: "Case Program: Voluntary Parcel-Wide Cleanup", "Case Status: Open", and "REACT Case Number: DCN-055804". A progress bar indicates the case is in the "Investigation Started" phase. The "Details" tab is active, showing "General Information" with fields for Case Program, Case Name, Date Reported, Case Address, Case Number, Case Creation Date, Site ID, and Official Town. A map of Hartford, Connecticut, is shown below the case address. To the right, a "Site Map" section displays an aerial view of the site at 79 Elm St, Hartford, Connecticut, with a legend for Site, Primary Parcel, and Associated Parcel(s).

Editing the location

- **Select site-** (should be pre selected for you) and hit Next
- **Select parcel-** If the parcel highlighted in orange looks ok hit Submit and you are done
- You can add other parcels as necessary by clicking in that parcel

- Select Site
- **Select Parcel(s)**

Parcel(s)
Click on a parcel to select, and add it to the parcel list. Selected parcels will appear on the left with their ID, Address, and Town. If a Primary Parcel wasn't already on the list, you must check the Primary Parcel box to choose one from your selected parcels. The Primary Parcel's address will be the address for the Case. You may also identify an Associated Parcel if it is being managed as part of the Case. For Release-Based Cases, select a Release Parcel if it is different than the Primary Parcel by clicking the button with the map marker and then placing it on your Release Parcel. You may also use the checkbox available within the parcel list.

Parcel Information

RELEASE-BASED CASE

Authenticated User creates a New Case

Launch Omniscrypt flow
(Online Smart form):

Intake of a New Case – Select Program Type

The screenshot displays the user interface of the Department of Energy and Environmental Protection Portal. At the top left is the department's logo and name. A search bar is located at the top center. A navigation menu at the top includes links for Home, Search, Sites, Cases, Submittals, Milestones, Milestone Submittals, Remediation (which is highlighted), Financials, Reports, and More. On the left side, a vertical sidebar lists the steps of the intake process: Release Reporting Instructions, Program Type (highlighted with a blue circle), Remediation Site Information, Add New Site: Select Parcel(s), Affiliations, Contact Information, Environmental Setting, Environmental Concern, Program Information, and Summary. The main content area is titled 'Program Type Selection' and contains a grey box with the heading 'SELECT PROGRAM TYPE' and the instruction 'Select the program type you are submitting information for today.' Below this, the heading 'Select Program Type' is followed by two selectable options: 'Release-Based' (with a green icon of a document and a checkmark) and 'Sitewide' (with a green icon of a map). Each option includes a brief description of the program. At the bottom of the page, there are 'Cancel' and 'Next' buttons.

IA Plan and Report deadlines automatically calculated

The screenshot displays the user interface of the Department of Energy and Environmental Protection Portal. At the top, the header includes the CT.GOV logo, the text "Connecticut's Official State Website", and a search bar. The main navigation menu contains links for Home, Cases, Sites, Submittals, Steps To Do, Milestones Achieved, Payments, Reports, and Dashboard. The current page is titled "BROAD STREET ENERGY LLC" and features three buttons: "Edit", "New Submittal", and "New Immediate Action", with the latter being highlighted by a blue arrow. Below the buttons, a table lists case details: Site Address (1010 Tolland Turnpike, Manchester), Program (Release Based), Case Status (Open), Cleanup Stage (Investigation Completed), and REACT Case Number (RCN-000004). A notification banner states, "You have an Immediate Action under this Release-Based Case." The main content area is divided into "Details", "Milestones", and "Related" sections. The "Details" section contains a grid of fields such as Case Name, Date Received, Site, Town, Regulated Entity, Council of Government, Local Health District, Agency ID, Case Status, Case Lead, Acknowledgement Date, Case Number, Site Address, County, Account Name, Remediation District, EPA ID, Program, Cleanup Stage, and Cleanup Lead Other. A "Geographic Setting" section is also visible. On the right side, there is a "Site" map, a "Case Chemicals (2)" section listing chemical types and concentrations, and an "Affiliations (3)" section.

 Complete the form below to confirm you have a release that requires Immediate Actions (IAs).

DETAILS

* Name * Surface Soil Impact Discovery Date

Release-Based Broad Street Energy 7/5/2024

* Immediate Action(s) (IAs) performed

mitigation: fence, pavement or other

REGULATORY NOTES

Immediate Action(s) (IAs) Plan requirements for SERs: Please note that an Immediate Action(s) (IAs) Plan is not necessary if (B)(iii) or (B)(iv) are implemented. Please note that specific actions may be required if the soil is impacted with PCBs.

You will be required to provide schedule for monitoring and maintenance of mitigation measures with your Immediate Action Plan- minimum frequency is annual.

Additional information please check Sec. 22a-134tt-5.
