

# Memo

To: Council on Environmental Quality, Environmental Monitor  
From: Jueda Shytco – Environmental Engineer 2  
CC: Linda Brunza - Environmental Analyst 3, CT DEEP  
Date: 10/28/2024  
Re: Town of Vernon, Exit 67 Sanitary Sewer Extension

---

On August 6, 2024 the Connecticut Department of Energy and Environmental Protection (CT DEEP) published a Notice of Scoping in the Environmental Monitor to solicit comments for the Sanitary Sewer Extensions on the surrounding areas near Exit 67 off of Interstate 84 in the Town of Vernon, CT. A public meeting was held via Zoom on August 19, 2024.

A comment received from CT-OPM during the scoping notice period has been taken under consideration and communicated to Town. This was the only comment received during the scoping notice process. The Town's response to this comment has been included in the Environmental Review Checklist which has been attached to this memorandum.

Based on the Environmental Review Checklist and the comment received, DEEP has concluded that the project does not require the preparation of an Environmental Impact Evaluation (EIE) under CEPA. Should you have any questions or concerns, please contact me at [jueda.shytco@ct.gov](mailto:jueda.shytco@ct.gov) or 860-424-3707.
