

# SWAC E-Waste EPR Program Update

June 25, 2024

Kevin T. Sullivan

Supervising Environmental Analyst

Waste Engineering and Enforcement Division

Connecticut Department of Energy and Environmental Protection

# SWAC E-Waste Update

- 1) 2024 Applications for Covered Electronic Recyclers
- 2) 2023 Annual E-Waste Report
- 3) Reminder:

Scavenging from e-waste collection areas is prohibited

# SWAC E-Waste Update

## Applications for Covered Electronic Recyclers

- All 4 existing CERs applied for renewal.
- All 4 existing CERs were approved for 7-1-2024 to 6-30-2025.
  - Take 2, Newtech, ERI, Ecovanta
- One new recycler applied. Their application was denied.

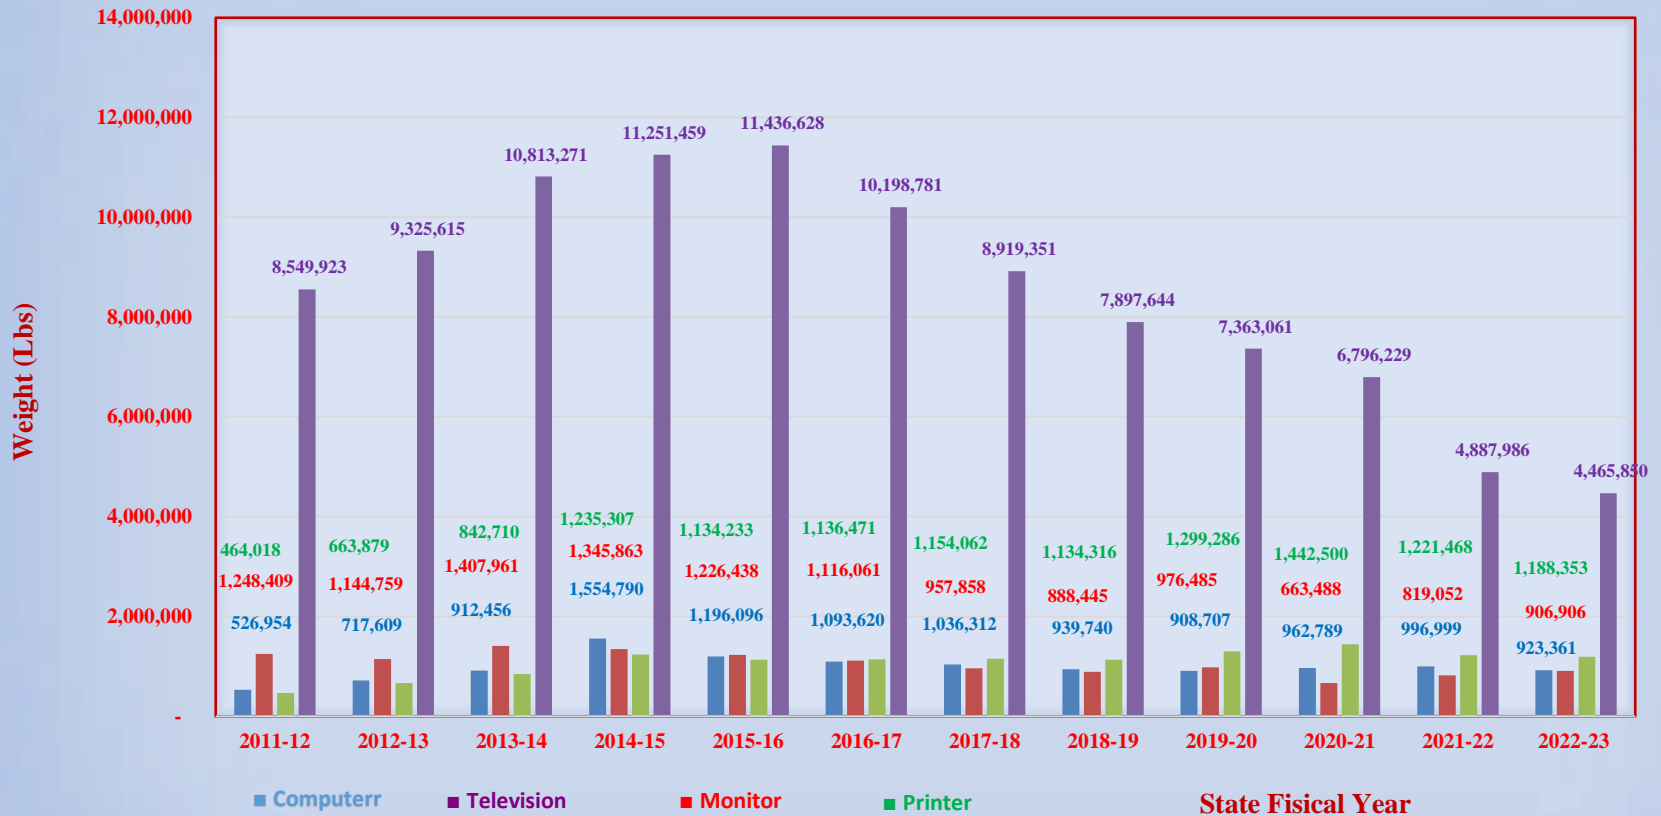

# 2023 Numbers

- ~ 7.4 million lbs. e-waste recycled
  - Total of 188 M since 2011
- Saved Towns ~ \$611,000
  - Over \$8.5 M since 2011
- 53 CT jobs

# Total Collection Trends

**Total Pounds Collected by CERs by CED Category  
(SFYs 2012 - 2023)**

# Scavenging Prohibited

- Scavenging not allowed
  - State solid waste law [RCSA 22a-209-7(i)]
  - Huge data security risk for previous users

**No Taking  
Electronics**

**Out of  
Collection  
Area**

Per State Law  
RCSA 22a-209-7(i)
