\$0.05 Fee on “Miniatures”

- Wine & Spirits Wholesalers of CT (WSWC) have indicated that they will aggregate fee revenues from all wholesalers and provide one check per municipality.
- Checks will be sent to the Chief Financial Officer of each municipality.
- WSWC expects to have payments made to each municipality by the end of April 2022.

\$0.05 Fee on “Miniatures”

- **Reminder:** Package stores had stock on shelf purchased prior to Oct. 1 when law went into effect; April 2022 checks to towns won't necessarily reflect 6 full months of sales.
- A summary of 2020 sales of miniatures shared by WSWC listed sales for 227 municipalities and political subdivisions. For purposes of issuing checks every 6 months, sales data will be compiled at a municipal level.
