

CERTIFICATE OF STEWARDSHIP

The Commissioner of Energy and Environmental Protection has made a final administrative decision to issue a Stewardship Permit to **ABB Inc.** for the Facility, located at 2000 Day Hill Road, Windsor, Connecticut.

This Stewardship Permit requires and authorizes your Facility to complete long-term stewardship obligations at your Facility. This Permit may be transferred upon the written authorization of the Commissioner.

Opportunity for public comment has been provided in accordance with state and federal requirements.

This action is based on the obligation to complete environmental remedy actions required by federal and state laws and regulations, including the Resource Conservation and Recovery Act and requires compliance with Connecticut's Hazardous Waste Management Regulations and Remediation Standard Regulations, as well as state and federal guidance.
