

Notice of Public Hearing Clean Water Fund Priority List - Fiscal Year 2026 and 2027

The Department of Energy and Environmental Protection (DEEP) will hold a hearing to collect comments on the draft fiscal year 2026 and 2027 Priority List (Priority List) for the Clean Water Fund program on February 5, 2026, at 10:30am. The draft Priority List can be found at: <https://portal.ct.gov/deep/municipal-wastewater/financial-assistance-for-municipal-wastewater-projects>.

These projects include combined sewer overflow improvement projects in our state's largest cities to meet Long Term Control Plan goals; and nitrogen removal projects to meet the 2014 Total Maximum Daily Load for the Long Island Sound.

The draft Priority List also includes funding reserves for planning studies, engineering designs, and green and resiliency projects, small community projects, and collection system improvement projects.
