CONNECTICUT CLEAN WATER FUND (CWF) USEFUL LIFE CERTIFICATION FORM

[Fill out during the design phase.]

Part I: Project Information	
CWF Project No.:	
Brief CWF Project Description:	
Part II: Certification	
Appendix III of EPA's January 6, 2015 Interpretive Guidance	
Water Resources Reform and Development Act to Titles I, I	
Pollution Control Act states that "Documentation of the user	ful life of the project should be
included as part of the project file."	
To ensure that the projected useful life of all CWF projects i	
term and to comply with EPA's guidance for documentation	
to be lesser of the project useful life and the statutory loan to	
requirements of Regulations of Connecticut State Agencies	Section 22a-482-2(d)(T8))
	Section 22a 102 2(a)(10)).
As the Design Engineer/Engineering Consultant for the above	ve referenced CWF Project No., I
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projected	ve referenced CWF Project No., I
As the Design Engineer/Engineering Consultant for the above	ve referenced CWF Project No., I
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projected	ve referenced CWF Project No., I
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projected	ve referenced CWF Project No., I
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projected	ve referenced CWF Project No., I
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projecte financed project exceeds 20 years.	ve referenced CWF Project No., I ed useful life of the above CWF
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projected	ve referenced CWF Project No., I
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projecte financed project exceeds 20 years. Signature of Design Engineer / Engineering Consultant	ve referenced CWF Project No., I ed useful life of the above CWF
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projecte financed project exceeds 20 years.	ve referenced CWF Project No., I ed useful life of the above CWF
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projecte financed project exceeds 20 years. Signature of Design Engineer / Engineering Consultant	ve referenced CWF Project No., I ed useful life of the above CWF
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projecte financed project exceeds 20 years. Signature of Design Engineer / Engineering Consultant	ve referenced CWF Project No., I ed useful life of the above CWF
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projected financed project exceeds 20 years. Signature of Design Engineer / Engineering Consultant Printed Name of Design Engineer / Engineering Consultant FOR OFFICE USE	ve referenced CWF Project No., I ed useful life of the above CWF
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projected financed project exceeds 20 years. Signature of Design Engineer / Engineering Consultant Printed Name of Design Engineer / Engineering Consultant FOR OFFICE USE Date Received:	ve referenced CWF Project No., I ed useful life of the above CWF
As the Design Engineer/Engineering Consultant for the above hereby certify that to the best of my knowledge, the projected financed project exceeds 20 years. Signature of Design Engineer / Engineering Consultant Printed Name of Design Engineer / Engineering Consultant FOR OFFICE USE	ve referenced CWF Project No., I ed useful life of the above CWF
