

**Notice of Reissuance**  
**for the National Pollutant Discharge Elimination System**  
**General Permit for the Discharge of Stormwater Associated with Commercial Activity**

State Permit No: GSC000000

The Department of Energy & Environmental Protection (DEEP) hereby gives notice of the reissuance without modifications of the General Permit for the Discharge of Stormwater Associated with Commercial Activity (Commercial Stormwater General Permit) on September 29, 2023, effective October 1, 2023.

Existing permittees authorized to discharge under the Commercial Stormwater General Permit do not need to submit a registration to retain permit coverage.

The Commercial Stormwater General Permit, registration form, and fact sheet are available on the DEEP Stormwater website at [Commercial Stormwater \(ct.gov\)](https://portal.ct.gov/Commercial-Stormwater) and at [Water Discharge Permits and General Permits \(ct.gov\)](https://portal.ct.gov/Water-Discharge-Permits-and-General-Permits).

Questions regarding this general permit may be directed to [DEEP.StormwaterStaff@ct.gov](mailto:DEEP.StormwaterStaff@ct.gov).
