

**Notice of Reissuance
for the National Pollutant Discharge Elimination System
General Permit for the Discharge of Stormwater from Small Municipal Separate
Storm Sewer Systems**

State Permit No: GSM000000
Federal Permit No: CTR030000

The Department of Energy & Environmental Protection (DEEP) hereby gives notice of the reissuance of the General Permit for the Discharge of Stormwater from Small Municipal Separate Storm Sewer Systems (MS4 General Permit) on September 29, 2023 and effective October 1, 2023.

Existing permittees authorized to discharge under the MS4 General Permit do not need to submit a new registration to retain permit coverage.

The MS4 General Permit, registration form, and fact sheet are available on the DEEP website at [Municipal Stormwater \(ct.gov\)](https://portal.ct.gov/DEEP/Permits-and-Licenses/Water-Discharge-Permits-and-General-Permits#StormwaterMS4GP) and <https://portal.ct.gov/DEEP/Permits-and-Licenses/Water-Discharge-Permits-and-General-Permits#StormwaterMS4GP>

Questions regarding the MS4 General Permit may be directed to DEEP.StormwaterStaff@ct.gov.
