STATE OF CONNECTICUT
DEPT. OF ENERGY &
ENVIRONMENTAL PROTECTION

Location: Lebanon and Colchester
Access: South of Old Route 2 (Norwich Ave)
Description: 212 acres. A Daily Permit is required to hunt for small game and waterfowl. Please note the different Daily Permit locations. The Goose Field Permit locations are labeled and outlined in black below on the map. Goose Field Permits will will only be issued after the corn has been harvested. The remaining areas outside of the goose field locations require a Marsh Permit. Hunters with a Marsh Permit should not be in the goose fields unless goose season is closed. See the CT Migratory Bird Hunting Guide for dates. All permits are available online at https://portal.ct.gov/CTOutdoorLicenses. No Daily Permits are needed to hunt deer or turkey. Please note this area is a archery deer and fall archery turkey hunting area, but is also open to firearms spring and fall turkey hunting.
