V. Old Business:

Annual Training Day

The annual CCP training day has been pushed to 2019, once we pick a date we can move forward. The next steps are to setup a date; determine and line up training classes, and find a large enough venue. The Fire Academy and the State Police Training Academy are both possible locations for this type of training.

SCCC Best Practices

The possibility of compiling a newsletter template for CERT teams around the state was discussed. The template can be designed to include space for local team information and statewide information. MRC currently has a newsletter.

An annual training subcommittee has been created in the past, we will be discussing the formation of other subcommittees in the future

Backpacks- Inventory Status

Follow up with DEMHS training and operations to determine if backpacks have been purchased and the current numbers of backpacks in storage.

VI. New Business/Roundtable:

2018 Annual Activity Report- Form and Process

Annual activity reports have been sent out. It was mentioned that some teams did not receive this form. Eric Scoville will resend this form to SCCC members for dissemination to their teams.

CERT Team & MRC Unit Contact Information- Update Needed

This is an ongoing process which is part of the annual activity reporting process. Further information and updates will be forthcoming.

Meeting Schedule for 2019

The committee discussed moving the SCCC meeting to a quarterly schedule to better mirror other DEMHS Advisory Committee working group/ sub-committee schedules. It was mentioned that with this change, special meeting can be held for items needing immediate attention. A motion was made in support of changing to a quarterly meeting schedule for the SCCC with meetings in March, June, and September in 2019 made by Don Janelle and Seconded by Harley Graime, motion carries. 1 abstention by Joel Severance is duly noted.

An update to the SCCC bylaws will occur after consultation with DEMHS leadership regarding this motion. Any updates will be made available at the March meeting of the SCCC.

Creation of Standing Committees - Discussion

Standing committees are allowable under the current bylaws, no change is necessary. Discussion of committees and leadership will occur in future meetings.

Monthly/Quarterly Team/Unit Reports- Best Practice of Consistent communication with unit/team members.

Topic tabled for future discussion

Additional Discussion

It was noted with the government shutdown, CERT manuals are increasingly difficult to obtain. Are there electronic versions of this manual available? If not are there ways to disseminate that to the group?

**VII. Adjournment- (3:05 PM) Motion made by Joel Severance, Seconded by Don Davis.
Motion Carried unanimously.**

Connecticut MRC Program January 2019

There are 23 officially recognized MRC units in CT.

MRC Unit leaders continue to participate in monthly MRC Well Check conference calls. The January 2019 Well Check was dedicated to the topic of incorporating nursing students into MRC units and developing partnerships with nursing schools.

Katherine McCormack continues to participate in the CT Citizen Corps Council representing Connecticut's MRC program.

Seven CT MRC units received a 2018 MRC Challenge Award from the National Association of County and City Health Officials (NACCHO). The MRC units nationwide were informed (late 2018) there will be no Challenge Awards this year; however, there will be focused or select initiatives that are directed at network readiness and response. The intent is that these initiatives will produce templates, best practices, and models that can be utilized network-wide.

East Shore/Shoreline MRC Coordinator, Daisy Hernandez, chaired the Region 2 MRC meeting on January 14, 2019 at the Milford Health Department. Region 2 MRC will continue bi-monthly meetings.

Kelley Meier, Stratford Trumbull Monroe MRC Coordinator, chaired the January 7, 2019 Region 1 MRC meeting in the Bridgeport EOC. The meeting included a presentation from Hearst Media related to an MRC marketing campaign. Region 1 meets on a monthly basis prior to the Region 1 Healthcare Coalition meeting. Region 1 welcomed a new representative from the Bridgeport Health Department/MRC.

Allyson Schulz posted the Region 4 bi-monthly January 17, 2019 meeting scheduled from 12-1 PM at the Uncas Health District office. Region 4 had a very successful regional training/volunteer appreciation event on December 1, 2018.

Pomperaug Health District was host to the Region 5 MRC meeting in Southbury on November 20, 2018. Region 5 meetings are held quarterly.

Region 3, Capitol Region MRC kicked off its 2019 meeting/training schedule with a presentation on Mission Ready Packages. The CR-MRC continues to meet monthly in East Hartford.
