## **SECTION 1 – Situation and Assumptions**

### **Situation**

A significant storm or man-made threat has struck the State of Connecticut and its approximately 3.5 million residents. There are widespread power outages. Estimates from utility providers indicate it may take weeks if not a month to restore power, even longer in some areas. As a result of prolonged power outages, destruction of residences and property, and/or disruptions to some public water supply systems, it is estimated that over one million residents will require assistance with commodities. Depending on the level of state and federal involvement, the commodities may be as follows:

- Food
- Bottled Water
- Tarps
- Cots
- Plastic Sheeting
- Blankets
- Generators

### **Assumptions**

1. The Governor has declared a state of emergency, under Section 28-9 of the Connecticut General Statutes (CGS).
2. A Presidential major disaster or emergency declaration is being considered, is imminent, or has been made. (Remember that federal fiscal disaster reimbursement assistance is not available until Presidential Disaster is declared, and that there are different thresholds for different programs.)
3. The State Emergency Operations Center (SEOC) is activated and staffed.
4. The Governor, DESPP/DEMHS Deputy Commissioner, the State Emergency Management Director, or their designee, has activated the Commodities Distribution Standard Operating Procedure and the Commodities Task Force (CTF) and State Staging Area (SSA) Team have been stood up.
5. The Governor's Office has ordered, through DEMHS, the establishment and operation of an SSA, i.e., Rentschler Field in East Hartford (or some other adequate facility) and is available for use for as long as necessary for distribution of commodities as listed above to assist the residents in need of life-sustaining emergency supplies.
6. The State has initiated its emergency commodities procurement process.

7. The State has requested federal assistance from FEMA; and the request has been approved, for direct support in the form of food, water, and other commodities and services that might be required by the State.
  - **NOTE:** These will not be provided for at least 72 hours after the disaster has occurred.
8. DEMHS regional offices have been activated and staffed.
9. Local authorities are establishing Local Commodities Points of Distribution throughout the disaster-affected areas and have activated Local Emergency Operations Centers.

## **SECTION 2 – CTF & SEOC Operations / Ordering**

For at least 72 hours after a catastrophic disaster occurs, residents and municipal governments will be expected to provide for themselves, without State or Federal assistance. Thereafter, residents and local governments will be provided necessary and appropriate assistance through a coordinated Federal-State-Local disaster assistance delivery system.

### **Establishment of the Commodities Distribution Task Force (CTF) and State Staging Area (SSA)**

#### **Operations:**

The SSA Team is responsible for receiving, offloading, and staging of commodities from FEMA at the SSA. Once they receive orders from the CTF at the State Emergency Operations Center (SEOC), they fill the order, load trucks, and deliver to town local commodities points of distribution.

At the SEOC, the CTF receives orders for commodities, transmits orders to the SSA team, receives fulfillment information from the SSA team, and reports back to requestors. The SEOC process includes a Commodities Liaison in each affected DEMHS Regional Office, as well as a Regional Information Manager for each affected DEMHS Region at the SEOC. The Commodities Liaisons will be trained DOC employees who are deployed by the DOC as requested by DEMHS. The Commodities Liaisons will be members of the CTF.

Upon activation of the Commodities Distribution SOP, the CTF will establish a daily communications rhythm for commodities ordering, delivery, and status reporting. The CTF reports to the SEOC Operations Section on fulfillments at an established time each day. At the end of the day, the CTF leader is responsible for two (2) reports:

1. Work Assignment Sheets (e.g., ICS 204) – The CTF leader is responsible for coordinating with the SSA Team Leader for the work assignment sheets for both teams which details the who, what, and where of work assignments for the next day's IAP.
2. A report of how many commodities have been ordered and delivered and to how many towns. (may be obtained from Web EOC).

Upon receipt of this information from the CTF Leader, the SEOC Operations Section Chief is responsible to bring this information to the Incident Action Plan (IAP) planning and tactical meetings for inclusion in the IAP, and to the Situation Assessment Unit of the Planning Section for inclusion in Situation Reports.

Life-sustaining commodities, specifically food and water, are a priority. Local governments will communicate requirements for food, water and other commodities, using the Local Commodities Request Form (See Attachment 1) to their applicable DEMHS Region Office who will then compile requirements and send to the SEOC (See FEMA Attachment 2). As needed and requested by the State Emergency Management Director or his designee, DOC will provide a CTF Liaison to staff each DEMHS Regional Office.

DEMHS, in conjunction with FEMA and other appropriate organizations represented at the State Emergency Operations Center, will work with DEMHS Regional Offices to determine quantities of life-sustaining commodities required state-wide. FEMA will provide life-sustaining commodities that the State is not able to provide for itself. FEMA-provided commodities will arrive at a State Staging Area (SSA) and will be re-directed by state officials to Local Commodities Points of Distribution operated by local authorities. (See Commodities Distribution Information Flow at Figure A).

Upon activation of the CTF, the CTF, in consultation with representatives of FEMA, representatives of the 2 major electric utility companies (Northeast Utilities and United Illuminating) and the Department of Public Health Drinking Water Supply Unit will determine the initial order of food, water, ice and tarps based on the Army Corps of Engineers (USACE) “needs requirement” model. (See the website at <http://www.english.usace.army.mil/igp/index.html> .) This model projects that 40% of persons without power statewide will require food and water and perhaps ice and tarps.

Model results will be tailored in accordance with the practical experience of FEMA representatives and other factors related to the disaster. It is anticipated that commodities orders may be reduced from the numbers indicated in the USACE needs requirement model based on FEMA’s experiences in previous catastrophic disasters around the country.

The initial order of commodities by the state will be enough for a three-day period. The order will be written on a FEMA Action Request Form (ARF) (See Attachment 1) by the CTF and signed by the Governor’s Authorized Representative (GAR), the Alternate GAR (AGAR), or a DEMHS representative in possession of an appropriate letter of authorization from the Governor or GAR/AGAR.

The aforementioned individuals will be authorized to complete and submit Action Request Forms to FEMA and to sign as the “State Approving Official”, obligating the State to pay any required cost share for commodities.

## **Daily Regional Commodities Orders**

After commodities have begun arriving at the SSA, and upon direction from the CTF, each affected DEMHS Regional Office will collect commodities orders each morning from its municipal EOCs to determine requirements for food and water. Remember that orders submitted each day should indicate the next day's requirements.

A regular schedule for placement of commodities orders will be determined at the beginning of the incident. Each municipality will indicate the number and type of Local Commodities Points of Distribution (Local C-PODs) that will be operating during the upcoming operational period (e.g., 0800 to 2000 for public distribution).

Municipalities requiring commodities for the upcoming operational period must communicate their commodities requirements to the appropriate DEMHS Regional Office through the Municipal Commodities Request Form via Web EOC by a specified time each morning. Other methods of communication may be necessary if Web EOC is not operating, such as fax, email, or phone. Requests received by the DEMHS Regional Office after the daily deadline, will be noted as a "late order."

**NOTE: The State will only attempt to fill late orders if there are sufficient supplies of commodities available.**

After the initial order, local officials will order commodities daily based on the amount of remaining commodities and on the demands/needs of the public for additional commodities such as ice and tarps. Requests for generators will be forwarded to the Fuel Task Force.

The CTF will communicate the status of commodities requests back through the DEMHS Regional Office to municipalities on a regular schedule, which will be established upon the activation of the CTF. The CTF will provide the municipalities with information on the size of the order, so that the municipalities can make the proper arrangements at their Local C-PODs. The Regional Coordinator may communicate with the municipalities through the Commodities Liaison deployed to the DEMHS Regional Office. (See Commodities Distribution Information Flow at Figure A).

The attached Commodities Request Form can be used to determine needed commodities, and to track orders:

**Department of Emergency Services and Public Protection  
Division of Emergency Management and Homeland Security**

**ESF 7**

**Municipal Commodities Request Form**

Each day, DEMHS Regional Office will collect requirements for food and water. Each municipality will indicate the number and type of Local Distribution Points (LDPs) that will be operating during the upcoming operational period (i.e. 0800 to 2000 for public distribution). Municipalities requiring commodities for the upcoming operational period must communicate their commodities requirements to the appropriate DEMHS Regional Office through this form via Web EOC, or other means of communication by a specified time each morning, if requested to do so. Requests received by the DEMHS Regional Office after the normally scheduled conference call will be passed to the State EOC Operations Group orally or via fax or email and noted as a "late order."

**NOTE: The State will only attempt to fill late orders if there are sufficient supplies of commodities available.**

**Town** \_\_\_\_\_

**Requestor** \_\_\_\_\_

**Point of Distribution Contact**

**Name** \_\_\_\_\_

**Phone** \_\_\_\_\_

**Location** \_\_\_\_\_

**Food and Water**

Provide the number of people and the anticipated number of days (check if needed):

- Food # people \_\_\_\_\_ # days \_\_\_\_\_ dates requested: initial date \_\_\_\_\_ thru \_\_\_\_\_
- Water # people \_\_\_\_\_ # days \_\_\_\_\_ dates requested: initial date \_\_\_\_\_ thru \_\_\_\_\_

**Ice**

Provide the number of bags needed. The Unit of Measure is 8 lbs. each: # bags \_\_\_\_\_

**Cots**

Provide the number of cots, with or without blankets and/or the number of blankets.

- Cots # \_\_\_\_\_ with blankets Yes  No
- Blankets only # \_\_\_\_\_ each

**Tarps**

Provide the number of tarps needed. Tarps size is 20' x 25' # \_\_\_\_\_ each

**SECTION 3 – SSA Operations**

See Appendix B for the Connecticut National Guard Standing Operating Procedure for the Commodities State Staging Area.

## **SECTION 4 – Inventory Management**

1. Food and water will be distributed to a Local Commodities Points of Distribution (Local C-POD) from the time it commences operation until it ceases operations.

### **Donations Management**

The procedure for accepting donated water only is as follows:

1. Shipments of donated water arriving at the State Staging Area (SSA) will be moved out of line by Access Control Point personnel, and staged in a separate area.
2. The SSA manager will contact the CTF leader at the SEOC, who will request an inspection from DPH.
3. Once inspected and cleared, the water will be moved back into regular inventory for distribution.

If donated commodities other than water arrive at the State Staging Area, they will not be accepted unless specifically authorized on a case by case (i.e., truck by truck) basis by the CTF in coordination with DEMHS, the Military Department, the SEOC Donations Management Task Force and any appropriate state regulatory agency (e.g., DPH, the Department of Consumer Protection.)

## **SECTION 5 – Establishment and Operation of Local Commodities Points of Distribution (Local C-PODs)**

The Division of Emergency Management and Homeland Security (DEMHS) will notify local authorities statewide or in appropriate areas of the State if a decision is made by the State to obtain and provide commodities for distribution to local authorities.

Local authorities will determine whether and when to begin commodities distribution operations in their respective municipalities and will be responsible for activating, staffing, equipping and operating pre-identified Local Commodities Points of Distribution (Local C-POD) in accordance with guidance provided by the U.S. Army Corps of Engineers. (See Supplement or the website at <http://www.englink.usace.army.mil/igp/index.html> )

A municipality must have at least one Local C-POD staffed and equipped before the State will direct commodities to the municipality. See Appendix C for a List of Local Commodities Points of Distribution.

Local Emergency Operations Centers (EOC) will communicate requirements for commodities via a conference call with the appropriate DEMHS Regional Office at a regular established time each day. Other methods of communication may be necessary, such as Web EOC, fax, or satellite phone.

Towns must operate Local C-POD in support of their residents, which must be opened, staffed, and ready to receive commodities as necessary to support operations, including possible 24 hour/7 day a week operations.

A local official at the Local C-POD will be required to receive shipments by signing a Property Transfer Report and any other required paperwork provided by the driver.

Local C-POD will immediately notify their local EOC when shipments are received. A CTF member will notify local EOCs of when their shipments are to be expected. A CTF member will also contact local EOCs and confirm receipt of commodities. The CTF member may be a Commodities Liaison stationed at the DEMHS Regional Office.

## **SECTION 6– Fuel Task Force Standard Operating Procedure**

**Fuel Task Force:** This task force is made up of the Department of Motor Vehicles (DMV), DEMHS, Department of Transportation (DOT), Department of Administrative Services (DAS), Connecticut National Guard (CTNG), Department of Consumer Protection (DCP), and other fuel partners including the Independent Connecticut Petroleum Association, the Connecticut Chapter of the National Propane Gas Association, the Motor Transport Association of Connecticut and the Connecticut Petroleum Council. Its mission is the restoration and provision of emergency fuel, and generators for power needs, including:

1. Priority restoration of power to all of the DOT Service Plazas along I-95, I-395 and Rte. 15;
2. The monitoring of the supply of the state's eight (8) fuel terminals;
3. Establishing communications with municipalities to determine fuel and generator needs for emergency responders and critical infrastructures, in coordination with the CTF;
4. Establishing communications with utilities to determine status of their back-up power sources to aid in restoration efforts;
5. Coordinating with FEMA to obtain generators when demand exceeds supply (size and/or number) and the US Army Corps of Engineers to assess installation requirements;
6. Providing information to the public concerning open retail fuel outlets;
7. Communicating with public service companies and emergency responders regarding fuel needs and availability;
8. Coordinating fuel access at state DOT locations for municipal vehicles involved in the emergency effort.

The Fuel Task Force (FTF) will be led by the DMV, with possible co-leadership by DEMHS or the CT National Guard. At the SEOC, the FTF receives fuel issues from the SEOC intake process, transmits requests for assistance to the appropriate state agency representative, receives fulfillment information, and reports back to requestors. Upon activation of the Commodities Distribution Standard Operating Procedure, the FTF will establish a daily communications rhythm for information gathering, ordering, delivery, and status reporting.

If the FTF is unable to fulfill the request with state agency assets, then a request for federal assistance will be made through FEMA. The FTF reports to Operations Section on fulfillments at a regular, established time each day, assuming that fuel supplies will be "restocked" overnight. At the end of the day, the FTF leader is responsible for two (2) reports:

1. Work Assignment Sheet (e.g., ICS 204 form) – The FTF leader is responsible for the work assignment sheet, which details the who, what, and where of work assignments for the next day's Incident Action Plan (IAP).
2. A report of how many fuel issues have been received, what municipality or other facility has been assisted, and how they have been resolved.

The Operations Section Chief is responsible to bring this information to the IAP planning and tactical meetings for inclusion in the IAP, and to the Situation Assessment Unit of the Planning Section for inclusion in Situation Reports.

## **SECTION 7 – Additional Resources**

US Army Corps of Engineers – Commodity Distribution Planning Guidance

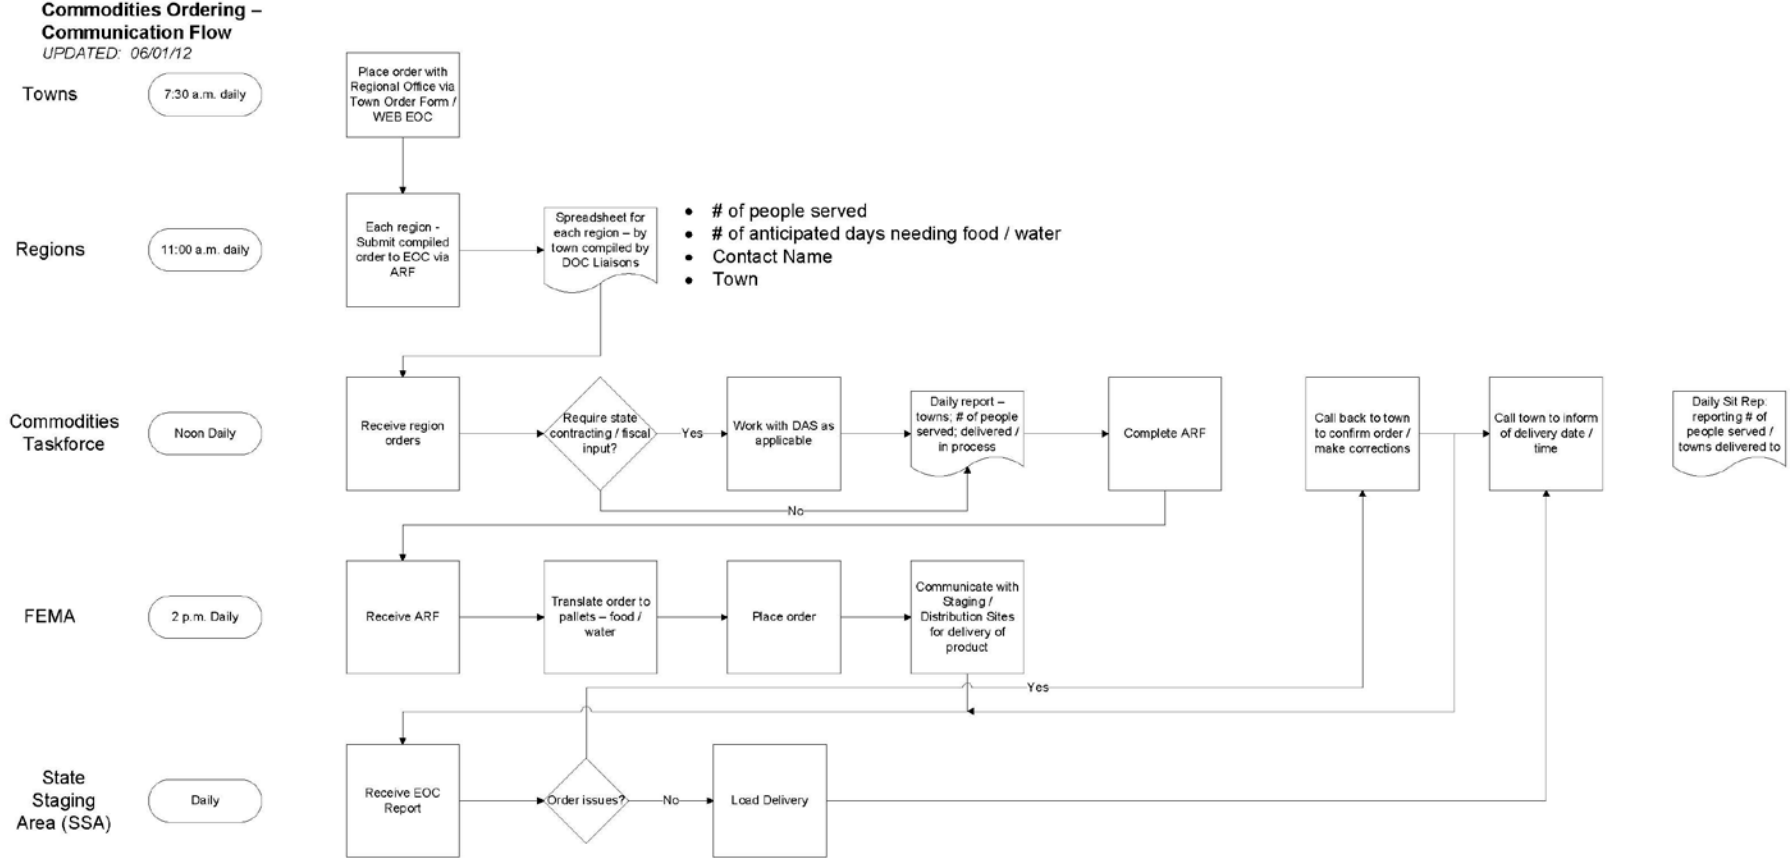

FEMA – Point of Distribution (POD) Training

State Response Framework (SRF)

Fuel Task Force Standard Operating Procedure (see Section 7, below)

## **APPENDIX A – Field Communications**

If necessary and requested, DEMHS may provide a low-band radio and a radio-equipped DEMHS agency vehicle with low-band radio and satellite radio to the SSA Command Post for communications with the State EOC. The low-band radio in the Command Post will operate on DEMHS low-band Frequency 2 and will communicate with a dedicated DEMHS low-band radio at the EOC specifically assigned to communicate with the SSA Command Post.

FEMA will provide communications between and among its management team representatives and other FEMA representatives and staff.

DEMHS will arrange for Amateur Radio support, if necessary, at the SSA Command Post through the Civil Air Patrol.

If necessary, DEMHS may request AT&T to provide a mobile cell tower and cell phones to provide cellular communications at the SSA.

DRAFT

**Appendix B--CT NATIONAL GUARD STANDING OPERATING  
PROCEDURE FOR COMMODITIES STATE STAGING AREA**

**TABLE OF CONTENTS**

- 1. PURPOSE**
- 2. APPLICABILITY**
  - a. CONCEPT OF SUPPORT**
- 3. ACTIONS UPON RECEIPT OF MISSION**
- 4. RESOURCE REQUIREMENTS**
  - a. BASIC SITE REQUIREMENTS**
  - b. BASIC MANPOWER REQUIREMENTS**
  - c. EQUIPMENT REQUIREMENTS**
  - d. EXTERNAL STAFFING REQUIREMENTS**
- 5. BATTLE RHYTHM**
- 6. MATERIAL RELEASE ORDER FLOW CHART**
- 7. REPORTS AND TRACKERS**
  - a. PERSONNEL**
  - b. TRANSPORTATION**
  - c. MATERIAL MANAGEMENT**
  - d. TOC (BATTLE CAPTAIN/MESSAGE CENTER)**

**1. PURPOSE:** This SOP outlines the responsibilities and resource requirements of HQ, 143<sup>rd</sup> CSSB while performing Commodity Distribution at a State Staging Area (SSA) in support of civil authorities.

**1. APPLICABILITY:** This SOP applies to all personnel assigned, attached or under the operational control of HQ, 143<sup>rd</sup> CSSB.

**a. CONCEPT OF SUPPORT:** HQ, 143<sup>rd</sup> CSSB establish a central SSA in support to civil authority.

- i. Receives, offloads, stores, accounts for, and distributes commodities ICW CT-DOC.
- ii. Provides a centralized/semi-centralized commodity pick up point for affected municipalities.
- iii. Provides a scalable force capable of delivering supplies to severely affected areas on a limited basis

## **2. ACTIONS UPON RECEIPT OF MISSION**

**a. MISSION ANALYSIS:** The staff will analyze WARNO/OPORD for site suitability, trafficability and manning requirements and the Officer In Charge (OIC) will report capabilities and shortcomings to headquarters.

**b. ALERT ROSTER:** Entity chosen to complete mission will call all members to gauge initial staffing capabilities.

**c. CONTRACTING REQUESTS AND STAFFING:** OIC will request support for both equipment and manpower that the organic entity cannot sustain on its own to headquarters.

**d. SITE OCCUPATION:** Advanced Party will coordinate and prepare the site for occupation by main body effort. Main body falls in and is prepared to officially activate the SSA and distribute commodities by times dictated within the Operations Order.

**e. ESTABLISH INITIAL OPERATING CAPABILITY**

**f. ATTAIN FULL OPERATING CAPABILITY**

### 3. RESOURCE REQUIREMENTS

#### a. **Basic Site Requirements (To Establish and Run Commodity Distribution Operations) the site should be at a minimum:**

- i. a relatively open area approx. 500m x 2000m
- ii. contain a strip of paved road 1500' long
- iii. provide sufficient onload/offload and transfer areas
- iv. centrally located to the affected towns and municipalities
- v. provide adequate access to major roadways (i.e. Interstates 91, 84 and 95) without causing significant congestion

#### b. **Basic Manpower Requirements**

##### i. **Tactical Operations Center (TOC) Staff**

1. **Battalion Commander/OIC (SSA Supervisor):** Exercises Command and Control (C2) over all personnel assigned to the mission while advising headquarters on the status of external logistical support.
2. **Executive Officer:** Serves as the Chief of Staff, directing and supervising the staff on site. Oversees the coordination between headquarters and subordinate units.
3. **Battalion Command Sergeant Major/NCOIC:** Supervises all enlisted personnel and responsible for the execution of all orders issued by OIC.
4. **Support Operations Officer (SPO):** Develops the Sustainment Plan and Integrates external support.
5. **Battle Captain (BC):** Is responsible for managing the Operations Center distributes Warning, Operations and Fragmentary Orders as they are published.
6. **Message Center Monitor:** Responsible for managing correspondence. Ensures messages are directed to the correct individuals and keeps a running log of all correspondence, to include RFIs.

- 7. S1 OIC and NCOIC (Personnel):** Provides administrative/personnel support to SM called to duty on the SSA (process payroll information, awards, and medical care, etc.)
- 8. S3 OIC and NCOIC (Operations):** Manages current operations, advises the BC to any change in mission, and delivers reports to HHQ headquarters as needed. Works hand-in-hand with the Battle Captain to ensure all orders are properly produced and distributed in a timely manner.
- 9. S4 OIC and NCOIC (Supply):** Responsible for managing the internal logistic of the unit to sustain operations. Accounts for all equipment, tracks usage, ensures mess and maintenance service operations are completed. Prepares analysis of organic equipment in order to process requests for necessary resources from outside organizations. Manages fuel consumption as well as contracting of equipment not organic to the operation.
- 10. S6 OIC and NCOIC (Communications Support):** Develops and executes the communications plan to ensure the unit has all required capabilities, provides on-site technical support and assistance.
- 11. Transportation OIC/NCOIC:** Assists the SPO in planning and coordinating transportation (distribution) support missions, analyzes internal assets to determine capabilities, designates routes, assesses and advises the trafficability of routes.
- 12. Material Management OIC/NCOIC:** Receives external municipality requests from Material Management Cell and processes them in conjunction with the Transportation section. Issues reports of on hand and delivered commodity quantities and creates Material Release Orders (MROs) to be signed by Department of Corrections and Town representatives.
- 13. Distribution Representative:** Reports all internal transportation capabilities directly to the Transportation section. Assigns vehicles and drivers for missions based on MROs. Tracks missions as they depart the SSA, complete

download and return to the SSA and reports status to Battle Captain.

**14. Medics:** Responds to any injury sustained during SSA Operations. Provides transportation to external medical facility (as required).

**15. Fuelers:** Responsible for ensuring all vehicles are fueled and reports usage to the S4. Oversees all refueling operations, to include fueling organic vehicles and rental equipment (if required).

**ii. Commodity Distribution (Yard) Staff**

**1. Officer in Charge/NCO in Charge:** Oversees all loading and unloading operations within the Distribution Point. Enforces all safety regulations/shift changes and interacts with TOC personnel as needed in order to manage the flow of traffic in/out of the SSA.

**2. Commodity Upload OIC:** Oversees the loading of commodities into vehicles. Ensures the correct count and signs off on MROs prior to any mission leaving the SSA.

**3. Commodity Download OIC:** Oversees the offloading of all commodities into the yard. Provides Material Management with an exact count by pallet. Interacts with the Yard OIC and reports capabilities as needed.

**4. Forklift Operators:** Licensed personnel capable of operating both military and commercial forklifts for both Upload/Download operations within the SSA.

**5. General Workers:** Provide site support as required.

**6. MRO NCOIC:** Provides Upload OIC with a copy of the MRO and works with forklift/pallet jack operators to load a truck for shipment.

**7. FEMA Order Representative:** Works with CT-DOC representative and FEMA driver in order to ensure the proper paperwork is completed prior to downloading commodities from a FEMA truck into the SSA.

- 8. Truck Drivers:** Licensed personnel capable of operating vehicles designated to deliver commodities to municipalities per MRO request.
  - 9. Assistant Drivers:** Personnel (preferably licensed on the designated vehicle) who serve as chief navigator and inspector of all loads. Ensures vehicle is properly serviced and maintained in case it is designated for a shipment on a moment's notice.
  - 10. Security Personnel:** Responsible for directing the flow of traffic in and out of the SSA at points designated by the SPO. Security OIC will report to the SPO and provide reports to security breaches and concerns as necessary.
  - 11. Runners:** Responsible for relaying messages and MROs to and from the TOC.
- c. Basic Equipment Requirements (Quantities of Equipment dependent on size of chosen site and scale of operation and determined once the unit has completed a recon of the site). Initially identified requirements are listed below.**
- i. \*Light Sets
  - ii. \*Portable Toilets/Latrines (Port-o-Lets)
  - iii. \*Yard Ramp, 36', portable, 20,000lb capacity
  - iv. \*Tentage [Drash] (Operations Center, Warming/Break, Mess, Sleep, etc.
  - v. \*Portable or fixed loading ramps (facility dependent)
  - vi. \*Trailer, 48', single-drop 2/beavertail load rams
  - vii. Command Trailer
  - viii. \*Forklifts (to include Propane Tanks for immediate fuel resupply)
  - ix. Water Buffalos
  - x. \*Pallet Jacks
  - xi. Handheld Radios (For internal communications between TOC, Yard and Security Personnel)
  - xii. Laptops
  - xiii. Mi-Fi/Wi-Fi Connectivity Cards (Internet Access)
  - xiv. Plug-and-Play Printers
  - xv. Fueller (HEMTT M978 with Environment Spill Kit)
  - xvi. Engineer/Caution Tape

- xvii. \*Traffic Cones
- xviii. M915 Tractors with flatbed Semi-Trailer
- xix. 15-PAX Vehicle
- xx. 7-PAX Vehicle
- xxi. Gators
- xxii. \*Traffic Signs
- xxiii. Cell phones
- xxiv. Field Ambulance (for Medics)
- xxv. Tactical Vehicles (for Entry Control Points/Security Detail) w/comms

\*Note: State contract support required

**d. External Staffing Requirements**

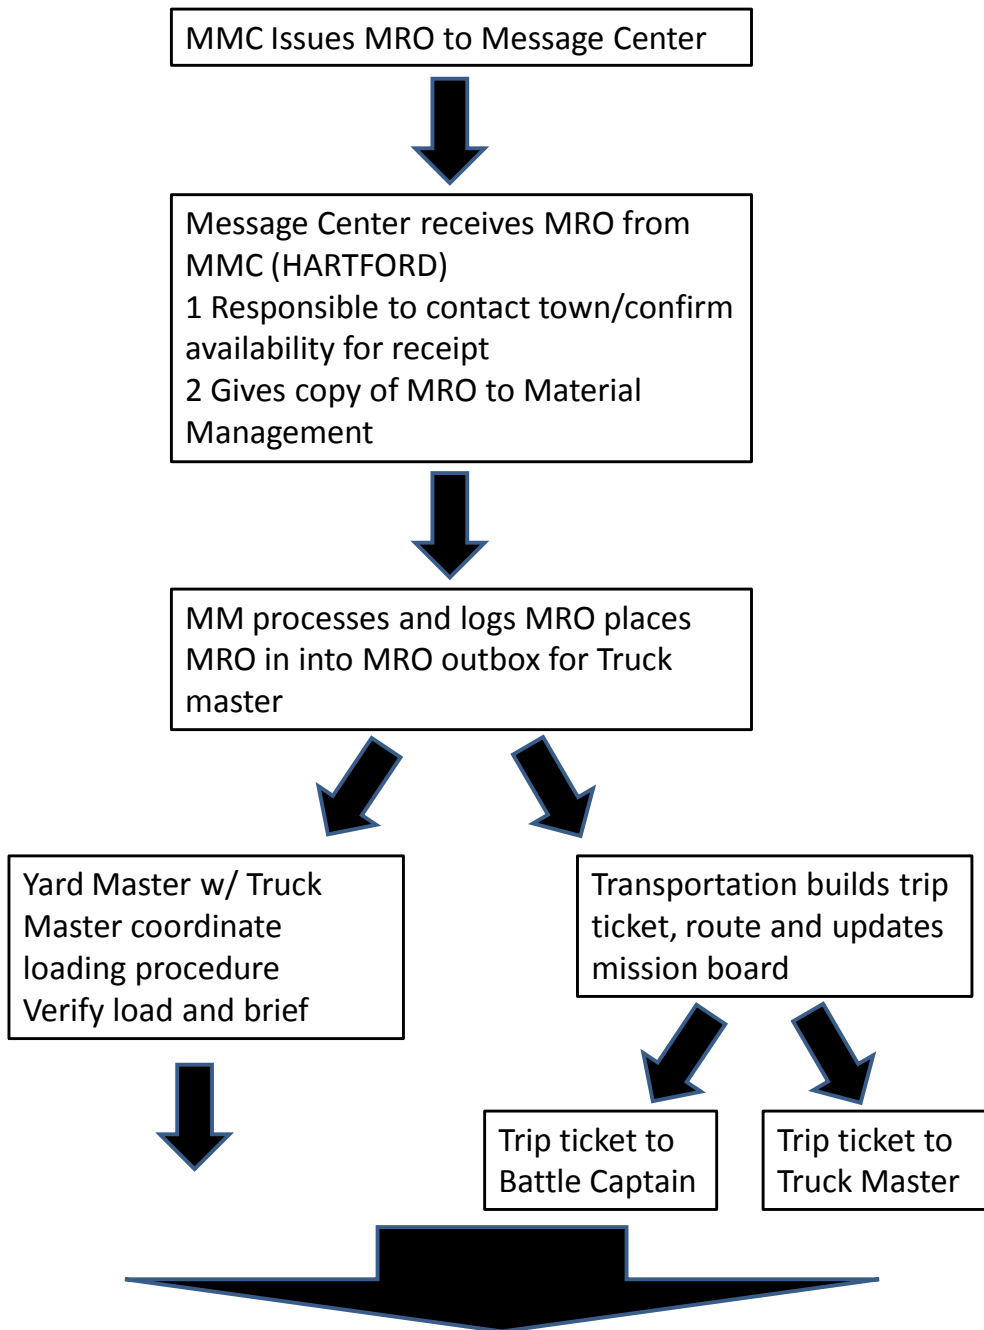

- i. Material Management Cell (MMC):** Directly coordinates with DEMHS and FEMA representation in Hartford and higher headquarters to processed and vet incoming commodity requests from municipalities. MMC calculates town needs and provides MROs to SSA.
- ii. Department of Corrections Signature Authority:** Accept all incoming FEMA commodities on behalf of the State of Connecticut and accounts for all outgoing commodity shipments delivered to municipalities.
- iii. Entry Control Point/Security Detail:** Provides SSA security by ensuring only approved vehicles and personnel enter/leave the SSA. Directs flow of traffic, provides guidance on possible choke points/unsafe areas and reports incidents to the TOC.

**4. BATTLE RHYTHM**

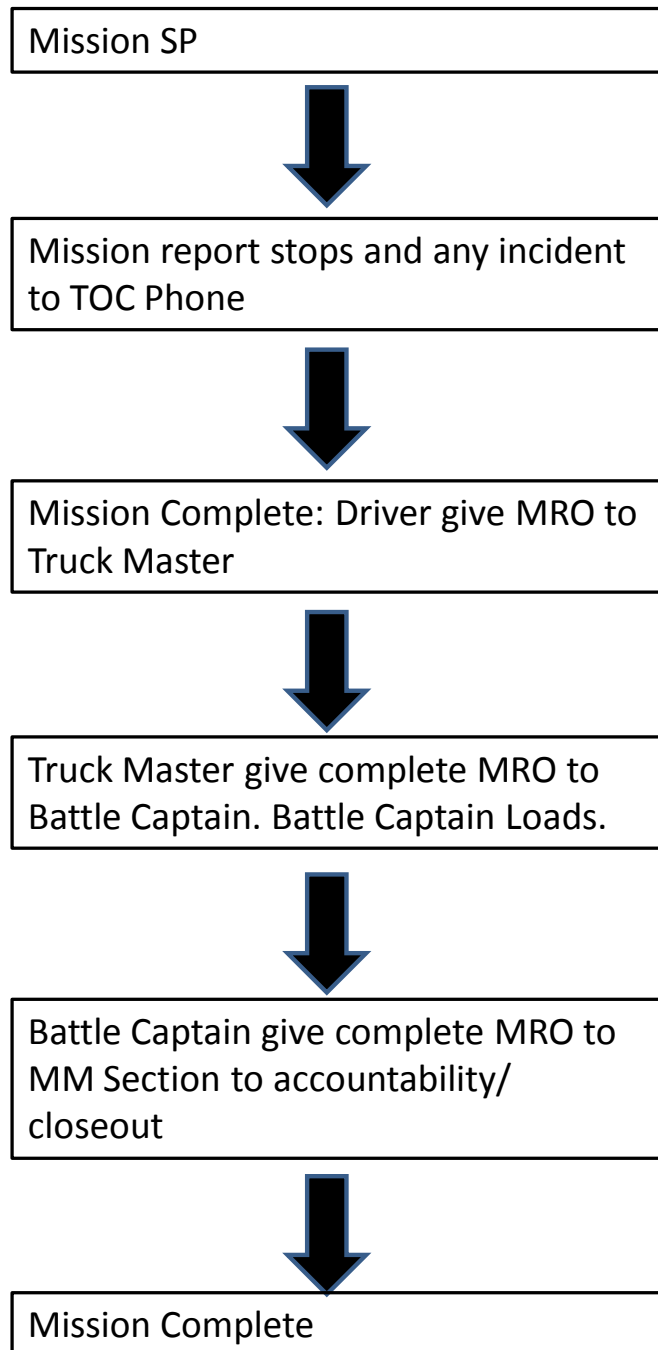

- a. This battle rhythm is based on three, nine-hour shifts, to include reports due to HHQ headquarters. ***ALL REPORTS AND TIMES ARE SUBJECT TO CHANGE BASED ON MISSION ANALYSIS, Higher Headquarters (HHQ) INTENT AND THE SITE OIC'S RECOMMENDATIONS.***

<b>CTNG</b>	<b>Connecticut National Guard</b>
<b>DAS</b>	<b>Department of Administrative Services (State of Connecticut)</b>
<b>DCO</b>	<b>Defense Coordinating Officer.</b> Designated on-scene military official who coordinates Requests for Assistance and Mission Assignments with the FCO and forwards Mission Assignments to the appropriate military organizations.
<b>DCT</b>	<b>Donations Coordination Team.</b> A Donations Coordination Team is made up of representatives of voluntary organizations and State and local governments who have a vested interest in the effective management of unsolicited donated goods and voluntary services. The DCT is managed by the Department of Emergency Management and Homeland Security. Its mission is to implement the State Donations Management Plan, with the aim of keeping unneeded goods and services out of the disaster area.
<b>DEMHS</b>	<b>Division of Emergency Management and Homeland Security (State of Connecticut)</b>
<b>DEEP</b>	<b>Department of Energy and Environmental Protection (State of Connecticut)</b>
<b>DESPP</b>	<b>Department of Emergency Services and Public Protection (State of Connecticut)</b>
<b>DHS</b>	<b>Department of Homeland Security (U.S.)</b>
<b>FEMA</b>	<b>Federal Emergency Management Agency</b>
<b>EMAC</b>	<b>Emergency Management Assistance Compact.</b> A Congressionally-sanctioned interstate mutual aid compact to which almost all states, including Connecticut, belong.
<b>EOC</b>	<b>Emergency Operations Center.</b> Protected site from which State and local government officials coordinate, monitor, and direct emergency response activities during an emergency.
<b>EST</b>	<b>Emergency Support Team</b>
<b>FCO</b>	<b>Federal Coordinating Officer.</b> The Federal officer who is appointed by FEMA to manage and coordinate Federal Resource support activities and disaster assistance programs related to Stafford Act disasters and emergencies.
<b>FEMA</b>	<b>Federal Emergency Management Agency.</b> Formerly an independent agency, in March 2003 FEMA became a part of the Emergency Preparedness and Response

**State of Connecticut Commodities Distribution  
Standard Operating Procedure**

<b>GAR</b>	Directorate of the U.S. Department of Homeland Security. <b>Governor’s Authorized Representative.</b> Individual designated by the Governor in the FEMA/State Agreement to administer Federal disaster assistance programs on behalf of the State and local governments and other grant and loan recipients.
<b>GIS</b>	<b>Geospatial Information System</b>
<b>GPS</b>	<b>Global Positioning System</b>
<b>GSA</b>	<b>General Services Administration(U.S.)</b>
<b>ICS</b>	<b>Incident Command System.</b> A standardized organizational structure used to command, control, and coordinate the use of resources and personnel responding to the scene of an emergency. ICS concepts and principles include common terminology, modular organization, integrated communication, unified command structure, consolidated action plan, manageable span of control, designated incident facilities, and comprehensive resource management.
<b>JFO</b>	<b>Joint Field Office.</b> The primary field location for the coordination of response and recovery operations in a Presidentially-declared disaster or emergency. The JFO houses the Principal Federal Official (PFO) and staff comprising the Federal Emergency Response Team (ERT). The JFO operates with a schedule (up to 24 hours per day) sufficient to sustain Federal response operations. The State Coordinating Officer (SCO) usually maintains a staff at the JFO.
<b>JIC</b>	<b>Joint Information Center.</b> An intergovernmental public information center established to ensure the coordinated release of information by Federal, State and local officials to the media and the public regarding disaster-related activities and recovery programs.
<b>JOC</b>	<b>Joint Operations Center.</b> Established by the FBI.
<b>Local C- POD</b>	<b>Local Commodities Point of Distribution.</b> A center established and operated by local authorities to distribute federally- and state-provided food and other commodities to disaster victims.
<b>MA</b>	<b>Mission Assignment</b>
<b>MERS</b>	<b>Mobile Emergency Response Support.</b> A FEMA detachment that deploys to a disaster area to support the initial federal responders with communications, data processing, food, water, shelter, etc. Designed to be self-supporting for at least 72 hours.
<b>MHE</b>	<b>Material Handling Equipment</b>
<b>NGO</b>	<b>Non-Governmental Organization.</b> A nonprofit entity serving a public purpose.
<b>NIMS</b>	<b>National Incident Management System.</b> As directed by the President and administered by the US DHS, this is a system that includes a standardized approach to incident management and response, training, credentialing, communications, equipment, and technologies. The NIMS system provides a consistent, nationwide approach for Federal, State, local, and tribal governments; the private sector; and non-governmental organizations (NGOs) to work together to prepare for, respond to, and recover from domestic incidents, regardless of cause, size, or complexity. The NIMS includes a core set of concepts, principles, and terminology – the Incident Command System (ICS). The NIMS includes, and is in the process of developing, multi-agency coordination systems; training; identification and management of resources; qualification and certification of personnel; and the collection, tracking, and reporting of incident information and resources.
<b>NRF</b>	<b>National Response Framework.</b> Promulgated by U.S. DHS in January 2008, the NRF is a guide to how the nation conducts an all-hazards response. The NRF describes how federal agencies will coordinate with each other to provide support and assistance to state, local, and tribal governments; non-governmental organizations; and the private sector.
