

Public Emergency Notification

This area is located within the Emergency Planning Zone (EPZ) of Millstone Power Station. During an actual or potential emergency, local officials will sound a steady siren tone for approximately 3 minutes, and may make public address system announcements from loudspeakers. Upon hearing the sirens, turn on an Emergency Alert System (EAS) radio or TV station for information on the situation and emergency instructions. Monitor social media outlets as well.

Connecticut officials may close this area and other waterways, parks, forests and recreational areas. If necessary, you may be directed to evacuate out of the area or be advised to go to a host community reception center following specific evacuation routes.

Stay Calm
Gather Your Group Together
Go To Your Vehicle
Follow Public Safety Officials' Instructions

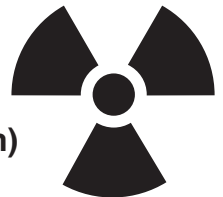

**Turn on an Emergency Alert System (EAS) station
for official information and instructions.**

*The U.S. Coast Guard will broadcast waterway advisories for the EPZ via VHF marine radio.
For waterway questions contact USCG Sector Long Island Sound
by phone (203) 468-4401 or via VHF radio Channel 16.*

Primary EAS Radio Stations

WDRC - 1360 AM / 102.9 FM (Hartford) • WCTY - 97.7FM (Norwich)
WTIC - 1080 AM / 96.5 FM (Hartford)
