Advertisement Procedure

a) The Grantee shall invite responses from interested firms by advertisements inserted at least once in one or more newspapers having a general circulation in the state. The advertisement shall be placed in the legal notices section. The RFQ may be placed in the major trade journals and distributed to professional societies and provided directly to firms. The Grantee shall affirmatively seek small, minority, and women owned businesses. Additionally, Towns and Municipalities have the option of posting RFQ on State of Connecticut DAS Procurement Contracting Portal System; If not currently registered, may register at the following site: <http://www.das.state.ct.us/rfpdoc/SCPRegistrationForm.doc> For more information, visit DAS Procurement home page: <http://das.ct.gov/cr1.aspx?page=8>

Review of Response and Completion

The committee shall screen all responses received for compliance with the RFQ. Responses that do not comply with the intent of the RFQ will not be considered in the selection process.

The Committee shall establish evaluation criteria and forms for the purpose of evaluating and ranking each respondent's qualifications. The evaluation forms shall be finalized prior to the receipt of the proposals. Below are the suggested

evaluations criteria:

- Qualifications and experience of personnel to be assigned to the project team
- Ability to provide the services within proposed project schedule time constraints
- Firm's awareness of project's issues, opportunities, and constraints
- Project team's composition and experience on similar projects
- Quality and performance of past services
- Hourly fees and expense schedule
- References feedback record

The committee shall review the responses and rank the firms according to their qualifications and criteria important to the project. The committee should develop a "short list" of the top three to five firms, which, in their judgments, are deemed to be most qualified to perform the required professional services.

Copies of the Statements of Qualification (SOQs) shall be provided to DESPP at DESPP's request. DESPP reserves the right to participate and/or monitor the selection committee deliberations, interview and selection process.

If fewer than five responses are received, then all qualified respondents could be considered eligible for further consideration.

The request shall stipulate the date and time for receipt of the fee proposals. The request shall also indicate the terms and conditions of the contract and the required time frame for providing professional services. Those firms not selected to submit fee proposals shall be so notified.

Review of Fee Proposal

The evaluation of each of the fee proposals by the selection committee and grantee, shall consider the overall ranking of the firm and the fairness and reasonableness of the proposed fee. In determining fair and reasonable compensation to be paid, the committee shall consider:

- The scope of services,
- The professional competence of the professional firm,
- The technical merits of the proposal,
- The ability of the firm to perform the required services within the time and

- budgetary limits of the contract,
- The fee for which the services are to be rendered.

All proposals are to be considered confidential information until such time as the final selection is made and the contract is formally executed. The selection committee should select the most competitive fee proposals for final selection following an interview.

If there is a significant disparity among the fee proposals the grantee shall request each firm to substantiate their proposal during the interview, as appropriate. If the review reveals that the overall scope of services has been misinterpreted or lacks sufficient clarity, then the committee shall issue appropriate clarification to each firm and request a resubmission of proposals.

Interview Process

The grantee shall arrange an interview of the top firms. The firms should be provided at least one-week advance notice of a date and time for their interview. Those firms not selected shall be so notified.

Prior to the interviews the committee shall prepare an evaluation form with predetermined selection criteria to allow interviewers to uniformly and independently evaluate the firms. The evaluation form may include the following:

- Project team management plan.
- Experience of project team.
- Location and quality of office facilities.
- Project control measures to monitor schedule and budget.
- Availability of staff, based on firm services load.
- Project approach.
- Quality of services of similar projects.
- Awards and past grantee recommendations.
- Financial stability of firm.
- Overall team rating.

The interviewed firms shall be allotted the same amount of time for their interview. The committee members evaluate and rate each firm during and/or immediately following each interview. After all interviews are completed the members should reassess their initial evaluation of each firm in comparison to the other firms' evaluations. The committee shall rank the firms in order of overall preference.
