Connecticut CERT Connect: Webinar Series

CT3 is a bi-monthly webinar series designed to enhance the capabilities, skills, and knowledge of Community Emergency Response Teams (CERT). Each 2-hour program focuses on diverse and evolving topics to strengthen community emergency preparedness.

2025 Sessions

January 8

The Alzheimer's, Dementia & Communicating Effectively session offers guidance for assisting an individual with Alzheimer's or dementia.

March 11

The Food Safety session provides best practices for Food Safety including handling and storing.

May 7

The Amateur (Ham) Radio session will provide an overview of ham radio and its uses in emergency management & by CERT members.

July 22

The Hurricane Forecast & Preparedness session includes personal, family, & community preparedness & a hurricane season forecast.

September 17

The Cybersecurity session details digital security and cyberthreats. Trends, forecasts, and mitigation efforts will be discussed.

November 18

The Search & Rescue session covers essential strategies, practical tips, and best practices for effective search and rescue efforts.

Time

Webinars are scheduled for 7:00 PM—9:00 PM. Individual webinars may be adjusted as needed.

Topics

Topics are tentative. The most up-to-date information will be on the CT Train page below.

Point of Contact

Michael Davis, Trainer
