

Basic Threat Evaluation and Reporting Course

The **Basic Threat Evaluation and Reporting Course** (B-TERC) is a one-day training that teaches participants how to help assist in preventing acts of targeted violence, such as, but not limited to, terrorism, school shootings, or mass attacks in public spaces by identifying those threats or observable behaviors that may indicate the potential for violence.

Participants are equipped with the tools to identify and report threats or observable behaviors that may concern others, as well as recognize intervention strategies to move individuals off of a pathway to violence.
