Subject: Certification that projects funded under the American Recovery and Reinvestment Act of 2009 (ARRA) met the February 17, 2010 deadline

Dear Mr. Dorfman:

The Connecticut Department of Public Health (CTDPH) is pleased to certify that all projects funded with the capitalization grant the CTDPH received through the ARRA have met the February 17, 2010 deadline. The CTDPH has met these requirements by executing all assistance agreements and construction contracts in advance of the deadline. This certification is being submitted in response to James Hanlon's and Cynthia Dougherty's December 24, 2009 Memorandum regarding the reallocation process of funds de-obligated after February 17, 2009 under the ARRA program.

Attached you will find the following documents that the CTDPH is required to submit in accordance with the December 24, 2009 Memorandum:

1. List of projects that received assistance agreements including:
 - a. Name of assistance recipient
 - b. Total ARRA funds obligated to the project through an assistance agreement
 - c. Date of assistance agreement
 - d. Amount of ARRA funds under contract by February 17, 2010
2. List of ARRA set-asides taken including:
 - a. The percentage taken
 - b. The amount taken
 - c. The date of EPA Region 1 approval of the set-aside work plan

The funds the CTDPH received under the 4% Administrative and Technical Assistance set-aside are being used exclusively for administration of the Drinking Water State Revolving Fund (DWSRF) ARRA program. All obligated ARRA set-aside funds to the CTDPH are under contract and are accounted for.

All representations made in this certification, including the list of projects, amounts obligated, dates of assistance agreements, and amounts of ARRA funds under signed contracts, are true.

I would also like to express our appreciation to EPA Region 1 for all of the support and assistance they have provided to the CTDPH over the past year. They have been very responsive and proactive in assisting states with interpreting and complying with the provisions of the ARRA.
