**RE: Preliminary Recommended Exclusive Service Area Boundaries**

In accordance with CGS 25-33g(b) and RCSA 25-33h-1(d)(B), the Central Connecticut Water Utility Coordinating Committee (WUCC) has established preliminary recommended exclusive service area boundaries for the Central Connecticut Public Water Supply Management Area (PWSMA). An electronic copy of the document may be found online at the WUCC website <http://www.ct.gov/dph/wucc> under the Central Corridor WUCC section. A hard copy of the document may also be reviewed at the offices of the South Central Connecticut, Lower Connecticut River Valley and Capitol Region Councils of Governments during normal business hours. The Central WUCC would like to thank the Councils of Governments for providing this service.

At this time, the Central WUCC is requesting review and comment on the preliminary recommended exclusive service area boundaries document from all interested persons. Discussion of comments received will be held at the next Central WUCC meeting scheduled for April 19, 2017 at the MDC Training Center, 125 Maxim Road, Hartford, CT. The public comment period closes on April 19, 2017 and any final comments on the document from the public must be received by the end of that day.

Please provide comments via electronic mail to the Officers at the email addresses listed above, via regular mail at the mailing address of the Recording Secretary listed below, or by attendance at the April 19 WUCC meeting. If you have any questions, please do not hesitate to contact the WUCC officers.

We look forward to hearing your thoughts and comments on this document. For current information regarding the WUCC process, please visit the DPH website at <http://www.ct.gov/dph/wucc>.
