Affirmative Action/Equal Opportunity Employer

We urge our community water systems to reach out as soon as possible to customers with facilities that are on the phase II reopening list and remind them about the return to service guidance as noted previously in circular letter 2020-33 https://portal.ct.gov/-/media/Departments-and-Agencies/DPH/dph/drinking_water/pdf/DWS_Circular_Letter_2020-33_CWSs_Return_to_Service_Guidance_06May2020.pdf

This effort will ensure the continuation of safe water from the public water main to the last tap in the building served.

Please do not hesitate to reach out to the DPH Drinking Water Section by electronic mail at DWDcompliance@ct.gov, if you have any questions or run into any issues with respect to your public water system.
